

CLUB OFFICE BEARERS FOR 2023/24

Our November 9 Annual General Meeting signals the time when members can reflect on how their club is operating. GVMVDC is different from the majority of clubs.

Many clubs have just a Committee and members that can lead to “them and us” view, especially if it is an entrenched Committee.

GVMVDC is more an “us” organization with about fifty positions needed to make things happen. Your club depends on the many interactions that gives us a great club culture.

But this only happens if members keep putting up their hand. The enclosed nomination form gives members plenty of choice.

The future success of our club depends on adapting to new ideas that frequently come from a fresh approach. We also have a to respond to the ever-changing world around us. Perhaps you can assist in these essential activities.

Please consider the possibilities on the nomination form enclosed with this month’s Journal. If you think you could make an input please ring a Committee member to explore what might be possible and then decide if you might nominate for a position. Alternatively you may have already decided to nominate for a position.

I should also remind you that all nominees and persons nominating and seconding a member must be financial members of the club for the forthcoming 2023/24 year.
