Statement of Purposes

To foster recovery, restoration and preservation of all types of self propelled vehicles that fall within the broad meaning of the terms -

- Veteran (pre 31-12-1918)
- Vintage (1-1-1919 to 31-12-1930)
- Classic (1-1-1931 to vehicles older than 25 years)

To conduct the sport of motor vehicle rally driving so as to promote and encourage that sport.

To conduct such events and activities as the Committee considers appropriate to:

- (a) increase the members' awareness of our motoring heritage, and
- (b) enable the exchange of information and vehicle parts between similar clubs and interested members of the public.

President's Report

Greetings all, welcome to some cooler weather. Perhaps I should have started with welcome earthlings – those of us that live in Mooroopna were startled and rudely woken up at 3.40am Tuesday morning. I thought as others did, that an aeroplane or space ship was about to crash land on our house. Apparently the police were in pursuit of some “alleged” burglars and they had flown in the dog squad via a very large helicopter. Not a pleasant feeling with the thump, thump, thump of the rotors and search light, scouring the neighbourhood. Welcome to the modern world.

My thoughts were elsewhere with those on a rally, enjoying a simpler way of life, checking out the local sights, enjoying the regional tucker or swanning on a ferry. Last week we welcomed back the Limestone Coast Rally group, no doubt with many a tale to tell. And on Sunday we waved goodbye to those venturing on the Alpine to Sea Rally – enjoy!

Early in the month Wally Smiley from Defibforlife provided some specific training around the use of our new defibrillator. The members that participated were treated to a professional, if not spirited training session. A point of interest Wally grew up in number 19 Morrell St Mooroopna as a lad. Some might say he is still quite the lad. Quite some time was dedicated to “hands on” practice. My thoughts are we should do First Aid and Defib training on a regular basis!

Sunday 18th, we welcomed the Dandenong Valley club by opening up the clubrooms and providing the BBQ for their use. Some 43 Dandy members were present, well organised and much appreciative of our generosity and welcoming. My thanks to David Grant (door greeter) and Mick Newham (car park attendant) for helping out on the day.

Late April we welcome the Rover Car Club to our region and we will as a Club be very much involved with some meals. Planning is well on the way and we will be calling on members to roll up their sleeves and support the catering committee to make this happen effortlessly, as only GVMVDC members can.

From this meeting I will be looking for a “roving Brian”, for those that follow AFL footy they will know what I am talking about. The idea is someone close to the front table will take the microphone to a member that wishes to make a comment. Hopefully all can then hear a bit clearer and help the meeting run a bit more smoothly.

Regards and see you at the April meeting.

Bill Winters

From the Editor

This month the Journal is chock-full of rally reports (and there are a couple being held over to next month!). Thanks to everyone who provides reports and photos – it makes my job much easier. The Limestone Coast Rally sounds like it was a great trip and I'm sure the Alps to the Sea Rally will be too.

Ray Manson is still working on my Jaguar S-type, expecting it to be ready for Club Permit plates this week, hopefully! This will only leave a couple of weeks until the wedding for some body work and a few drives to iron out any issues. But it will be worth it!

See you at the meeting. Don't forget to wear your name badge so everyone knows who you are.

Brendan Walsh

- The Club's first aid kits have been updated – a small kit for taking on rallies and a larger one in the clubrooms.
- The Club was not successful with its funding application to DHHS for the defibrillator.
- All went well with the Dandenong Valley Club visit. Planning for catering is underway for the upcoming Rover Club and Wolseley Club visits.
- Lloyd thanked members for their catering support for the “wake” for Mrs Jenkins.
- A hand-rail is to be installed near the front door to prevent tripping on the edge of the ramp.

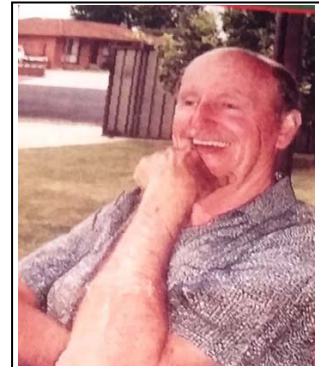

Member News

It is with sadness that we advise you that William Alexander “Bill” Cross passed away on the 11th of March, aged 74.

Bill passed away at GV Health and we thank the caring staff at the Mary Corum Unit for their support.

Bill with wife Betsy joined the club in 2004, and many members will have fond memories of their participation in club activities.

Our thoughts and prayers are extended to Betsy, family and friends.

I would like to thank all Club members who gave me their congratulations for our lovely wedding and also their condolences for Nancy's sad passing. Her death was never expected.

She was loved by all that knew her in the Shepparton and Elmore areas and beyond.

I would also like to thank the Club for the use of their lovely building. It helped to make a lovely wedding for poor Nancy and me. It was loved by all who attended.

Raymond Reid

Baby News

The Club would like to congratulate Anna and Alex Gee on the safe arrival of their second son Harrison (Harry) on 27th March, weighing 6lb 8oz (3kg). Big brother James is very pleased!

Phil and Anne are also very pleased with another grandson.

All our lady members are very welcome. *Mary Apostol*

GV Hospice Rallye, Beechworth – 5th-6th May 2018

This year we are heading to the Beechworth region over lots of roads you wouldn't normally travel on. We set off early Saturday morning from Shepparton and return on Sunday afternoon after the lunch time Rallye Banquet, to be held an hour or so from Shepparton.

The theme on Saturday night is "Magic and Intrigue", so practise your magic tricks and bring your best "magic" outfit!

Any type of vehicle can take part and a large part of your entry fees goes to this very worthy cause. Your first step is to arrange your accommodation, then send your completed entry form and fees to the organisers. Entry forms will be at the club meeting.

Further details from Min Innes-Irons on 0418-214 022.

Drive Back in Time, Beechworth – 5th-6th May 2018

A big weekend of activities in and around Beechworth, run by the Beechworth Old Cranks Motor Club. Saturday starts with a tractor trek from 10am, then lunch at the Old Railway Goods Shed. The day ends with a street cruise at 4:30pm. Sunday is the day of the Show and Shine in the centre of Beechworth, ending with trophy presentations early in the afternoon.

All details at <http://beechwortholdcranksclub.com/>

Wolseley Club rally, Shepparton – 18th-21st May 2018

More details to come in the May Journal.

Benalla & District Classic Car & Motorbike Tour – Friday 25th May 2018

This is a delightful tour of the Benalla City, with stops and lunch in interesting locations. There are always many interesting cars and bikes and like-minded people to share the day with. There will be more details in the May Journal.

42nd Historic Winton – 26th-27th May 2018

This of course is a fixture on the calendar for many members. More details and hopefully some tickets to raffle will be available at the May meeting.

**Club Run to Southern Rod and Custom, and Euroa's Granite Hills Nursing Home
11th March 2018**

Southern Rod and Custom certainly turn out some beautiful work, don't they? Shane Rowe gave us an outline of the business and where it has come from.

There are five working there (including Shane) that do everything except build engines. The work comes to them, on their reputation. I was disappointed – the only BMW there is a ute! It is owned by golfer Robert Appleby, to cart his golf clubs in. Thanks Shane; we enjoyed it.

Following a very pleasant lunch by the creek in Euroa, we visited their new Granite Hills Nursing Home. This is a very impressive complex; as good as you will find anywhere. Indeed; the cafeteria is now on our list for coffee runs! Thanks Rob A for facilitating our visit.

Rally Report

Limestone Coast Rally, South Australia – Tuesday 13th-Monday 26th March 2018

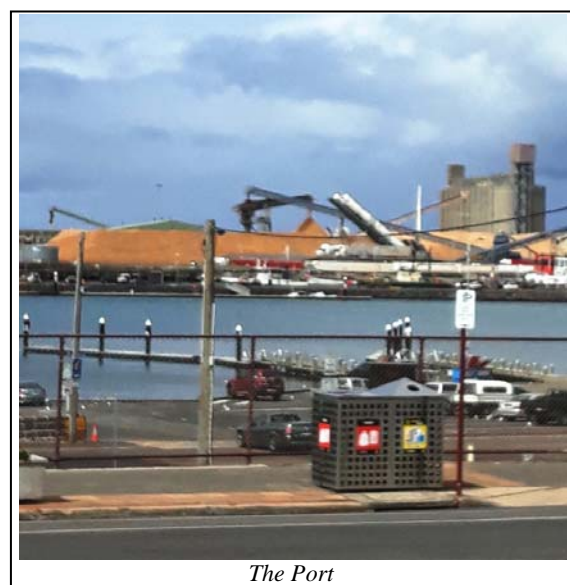

We left Kialla at 8am on the Tuesday 13th March, to meet our fellow ralliers in Stanhope. Travelling to Bendigo, morning tea at Huntly bakery, lunch in Dunolly, arriving in Ararat, our first stopover, mid afternoon. A fun evening and delicious meal at the Blue Duck Hotel.

Maryborough Railway Station

Wednesday morning we journeyed to J Ward in Ararat, a hospital for the criminally insane, a very depressing place. Leaving Ararat we travelled through the countryside, lunched at Dunkeld, before arriving in Portland to our very nice motel overlooking the Port. Another fun night in the dining room with much laughter.

Thursday 15th. A free day today, overcast and cooler. After breakfast we enjoyed a ride on the cable tram →, then took a leisurely drive to Cape Bridgewater to see the blowholes ↓ and the petrified forest, followed by a fish and chip lunch. Returning to Portland, a stroll around the town, and back to the motel to get ready for the evening.

The Port

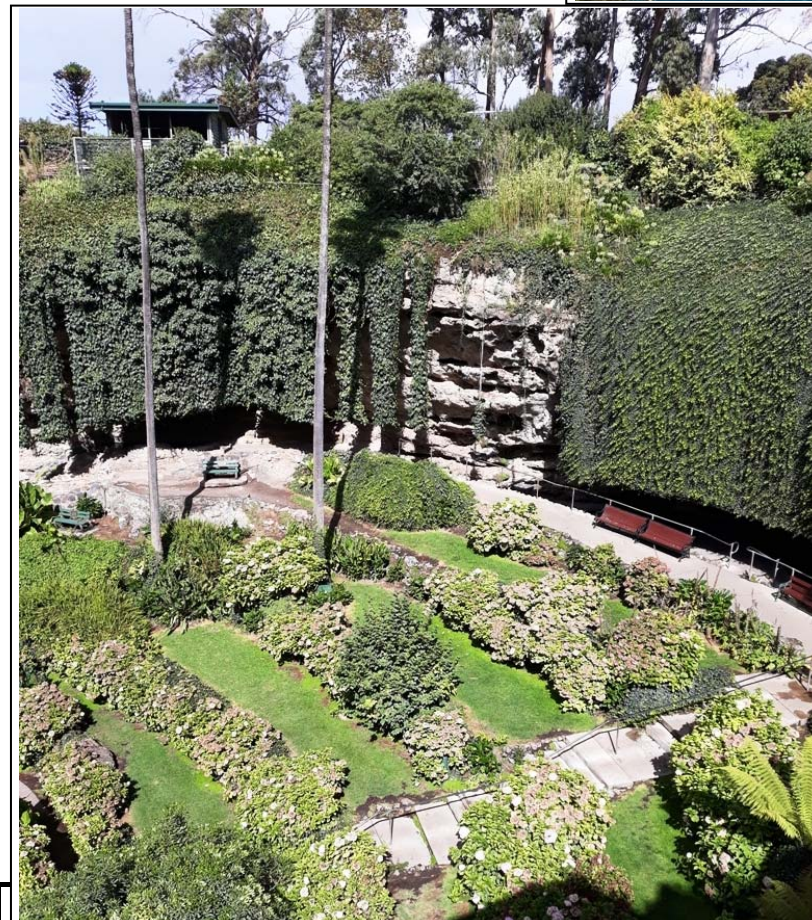

Friday 16th. Leaving the motel, we visited the Portland Powerhouse Motor and Car Museum, where, after viewing their great collection, we were treated to a delightful morning tea. Departing Portland we made our way to Nelson, then on to Mount Gambier, our home for the next three nights. An enjoyable evening in the motel restaurant with entertainment supplied by Denis → and Russell.

Saturday 17th. St Patricks Day. At 10am we ventured to the Blue Lake ↘ for a tour and informative talk. We then made our way to Pt MacDonnell where many of us had lunch at a lovely cafe near the water. We ran into club members Helen and Dennis Paul, who were there with their caravan club. After lunch we went to Dingley Dell, the home of poet Adam Lindsay Gordon, for a great talk about his life. Dinner tonight had

a touch of green about it with some good Irish jokes thrown in.

Sunday 18th. A very different day today, cool and wet, a free day. We visited the Lady Nelson discovery centre, the Umpherston Sinkhole ← and had a quiet relaxing afternoon on such a very windy, cool day. A fun night at dinner for our last evening in Mount Gambier.

Monday 19th. A cool, showery day to leave Mount Gambier for Robe. A leisurely drive, stopping for coffee at Beachport, a lovely little coastal town, onto Robe for our overnight stop. We enjoyed a really nice evening meal in the cosy, home-like restaurant, with friendly hosts and staff. Bob entertained us with a very funny story.

Tuesday 20th. After breakfast we left Robe and drove a rather long, uninteresting road to Victor Harbour, checking into the Appolon Motel mid-afternoon for a four night stay. Dinner for the next three nights is at the Victor Hotel, a nice stroll from the motel.

Wednesday 21st. After a very windy night we woke to a much brighter day. A trip on the Cockle train to Goolwa for the day, enjoyed by all. Another great evening meal at the Victor Hotel.

Thursday 22nd. A pleasant drive to Goolwa this morning to browse, have coffee, before meeting at the Goolwa Wharf to board The Spirit of the Coorong → for a three and a half hour cruise. We were served a tasty salad lunch, complete with after dinner mint chocolate. We were given a great talk about the Murray River and the Coorong, went for a walk through the sand dunes, returning to Goolwa at 4.30pm. A great meal once again at the Victor.

23rd March. A free day. A walk down to the horse-drawn tram for a ride across to Granite Island. A walk on the boardwalk for some wonderful views. Returning to Victor Harbor, refreshments at the Crown, lunch at the bakery. A restful afternoon before dinner in the motel restaurant, and a most enjoyable evening meal was had by all. Lots of jokes followed, and Russell's "fine tin" received plenty of donations.

24th March. We said goodbye to Victor Harbor this morning for a long day's drive to Nhill. An interesting drive, morning tea in Murray Bridge, viewed the murals on the silos at Coonalpyn, late lunch at Keith. Over the border into Victoria, we diverted a few kms off the highway to Serviceton to see and have an informative talk about the railway station. Such an amazing and unique building that seems to have been forgotten. What a shame governments can't put money into these wonderful buildings to preserve them and create tourism to these poor struggling communities. We had our evening meal in the Zero Inn Motel restaurant, very nice. More jokes and fines followed.

25th March. Leaving Nhill this morning after a photo of the line-up of cars, drivers and passengers, we headed off through Jeparit and Hopetoun to Lascelles to see the murals on two silos. They were a little disappointing, not the murals themselves but the access to them. On to Sea Lake, arriving in Swan Hill shortly after lunch. A rest before the final evening's events.

A wonderful final night, with more jokes, many awards and thankyou's given out. Russell's fine tin raised \$214.85. We also made a gold coin (or so) donation to name Russell's little red panda mate. No one picked his name (Henry) but 'Henry' raised another \$74.60, making a grand total of \$289.45. That was made up to \$300 by a few generous members. It was agreed the money would go to the Stanhope Fire Brigade.

26th March. Goodbyes were said after breakfast and we were homeward bound.

Leigh, Lynne, Julie and Lynn organised a terrific rally for us all.
Truly enjoyable, a great group to travel with, much fun and laughter was had.
Many thanks to all involved.

Ron and Jan Stanbrook.

What a great rally (but aren't they all?). Congratulations Tyrrells and Johnstons on the organisation and smooth running of the rally. Well done to the participants, who are a great bunch of people (if I may say so!).

Make sure you've read Jan's report on the rally – remember Jan; what goes on the rally stays on the rally!??

Veteran Car Club 1 & 2 Cylinder Rally, Cobram – 15th-18th March 2018

This year's 1&2 Cylinder Rally was held back in Cobram, after a couple of years elsewhere (Warrnambool in 2016 and Hamilton in 2017). There was a bumper attendance of nearly 70 vehicles, with over 20 from interstate. Many of these interstaters were attending the national 1&2 cylinder rally in Tasmania the weekend after – very smart planning! The venue was the RACV Resort, the perfect venue for this type of rally, with plenty of cabins, a large function room and lots of room for trailers.

As usual, the best represented vehicle was the Renault AX ↓, a very popular car in Australia in the early days of motoring. 15 of them attended, including one that looked original. There were also five Brushes, four Cadillacs, four high-wheelers and five steamers.

The rally started with a short shakedown run of about 20km around Cobram on the Thursday afternoon, finishing at Thompsons Beach. Unfortunately we had not arrived in time for that run.

Friday's run was south via the Tungamah Primary School to an olive estate near Burramine. Cal had arrived with the 1904 Oldsmobile that Paul Daley had kindly lent to us for the weekend, so headed off with the convoy. There were some running repairs along the way and it ended up going home on the tail-end Charlie trailer. The car hadn't been out for over six months so wasn't quite running at its best.

Saturday morning started with a display at the RACV resort, with plenty of locals coming to have a look. We headed off about 10am, through Barooga to The Drop → on the Mulwala Canal – Australia's first hydro-electric power station on an irrigation canal. It was completed in 2002 and has a generating capacity of 2.5MW.

Our destination for lunch was Finley but the Oldsmobile ← didn't quite make it – it started to get hot and lose power. We did the rest of this trip with tail-end Charlie. After lunch and a look around the Finley Museum, most entrants drove to the other end of Finley to look at the JT&N Close Foundry, which was established in 1893. A 1911 Hornsby 1-cylinder gas engine, which powered the entire plant, was fired up for our benefit. We headed back to Cobram to get ready for the main Rally Dinner that evening. Details were announced about next year's 1 & 2 Cylinder Rally. It will be based in Bright and we'll definitely be there!

Sunday's weather was seriously worse than the rest of the weekend, with a strong westerly making progress towards Monichino Wines at Katunga very difficult. As the Oldsmobile didn't want to go at all, Cal and I hitched a lift with Russell Holden in his 1902 Thomas. After morning tea, Cal went back to Cobram in the 1905 Black high-wheeler, while I travelled in a 1907 Cadillac tourer.

After the rally finished, entrants were invited to visit John Anderson's collection in an old garage in the middle of Cobram. Here we found the 1913 Nazzaro Tipo 2 that sold at the 2013 Motorclassica auction, the M.M. Special that was built by Lou Molina in 1953 ↙, a 3-litre Bentley ↓, a lovely late 20s Sunbeam roadster, a 1924 Bayliss-Thomas roadster and several others – quite a collection!

Federation Picnic, Wunghnu – Sunday 25th March 2018

Held in conjunction with the GV Vintage Tractor and Machinery Club Rally, this was well attended. Unfortunately, the tractor pull (always entertaining) had to be abandoned because the rain overnight made the track unusable (even though it did not break the drought). However, there was plenty to see with all sorts of machines and engines operating.

Saturday Social Day, Clubrooms – 17th March 2018

Many thanks to all those who attended and brought a salad to our social day on Saturday 17th March. We had a great turn up, along with some beautiful weather.

We enjoyed a BBQ, a variety of different salads and some lovely sweets.

Thank you to Keith for bringing along a couple of enamel milk billies and an antique toaster. It's always good to have a look at his extensive collection.

Wishing everyone a very happy and safe Easter.

Visit by Dandenong Valley Club – 15th-18th March 2018

On behalf of the Dandenong Valley Historic Car Club we would like to thank your president Bill Winters and the other club members who made themselves available to open up your wonderful clubrooms so we could have a sit down BBQ lunch and a cuppa on Sunday 18th March after we had visited another one of your members Tim and Marie Harris's wonderful collection of fuel pumps and cars. My father owned a Moon back in the days when I was in nappies in the 40s. I have never seen one on the road, but Tim has two in his shed. I will have to find some photos and send them to Tim to identify what model.

We had a great time travelling around Shepparton and surrounding areas visiting many of your great sites and the hospitality of the local people was incredible.

The Overland Hotel-Motel provided a great base to run the rally from. We booked the 30 motel rooms and the service was excellent, from breakfast to the dinners were the best you could ask for.

We will be returning to Shepparton in the future.

Ian Clark

President, Dandenong Valley Historic Car Club Inc.

Thanks also to Les Francis from the DVHCC, who let me have a drive of his 1938 LaSalle sedan (seen here at 2014 Marong Picnic). It was excellent!

Coffee Run to Monichino's Winery, Katunga – Wednesday 21st February 2018

What a lovely day to go out for coffee at a lovely venue with a great bunch of people!

Anna and staff were well organised, getting good coffee and treats out to people, in spite of the usual rush. Anna gave us a talk on where the family business had come from, and showed us her father's proudly displayed Norton motorbike. (circa 1950 ES-2 – Dave Morrison will correct me!) Carlo was also very proud of his Alfa.

Rushworth Easter Heritage Festival – Easter Saturday, 31st March 2018

The ideal weather helped attract a large crowd (including us!) to Rushworth for their Heritage Festival. The excellent market and displays, capped off by the street parade of horses, tractors and The Wizard (a steam traction engine), the old cars and trucks, made for a great day. The cars on display included ours, the Echuca Club and many others, many of which participated in the parade.

AOMC Report

AOMC Delegates' Meeting – 26th February 2018

President Keith Mortimer reported that the AOMC was there to help with matters eg: VicRoads, importing cars etc that members are having problems with.

Consideration should be given to the idea that the Victorian car club movement may be best represented by one peak body rather than the two that it currently has, especially as many clubs are members of both bodies. This is not a reflection of either of the bodies rather what is needed to best represent clubs and enthusiasts in challenging times.

AOMC Events :

- Shannon's Aussie Classic Car Show attracted 300 cars.
- RACV Classic Showcase had 850 cars.

VicRoads Report :

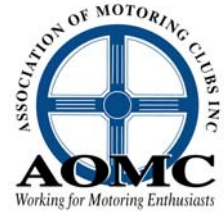

- Three vehicles per week get letters over breaches of the CPS
- There are some deceased estate issues that are not resolved yet.

Guest Speaker was Kalinda McIntyre, winner of the Robert Shannon Trust Award, who reported on her restoration of a 1926 Willys Overland.

Doug Young reported on the "Submission to the Federal Govt to support the abolition of the Luxury Car Tax on historic vehicles." (We have no car manufacturers now in Australia)

Not to mention the ban on Asbestos makes importing old vehicles almost impossible.

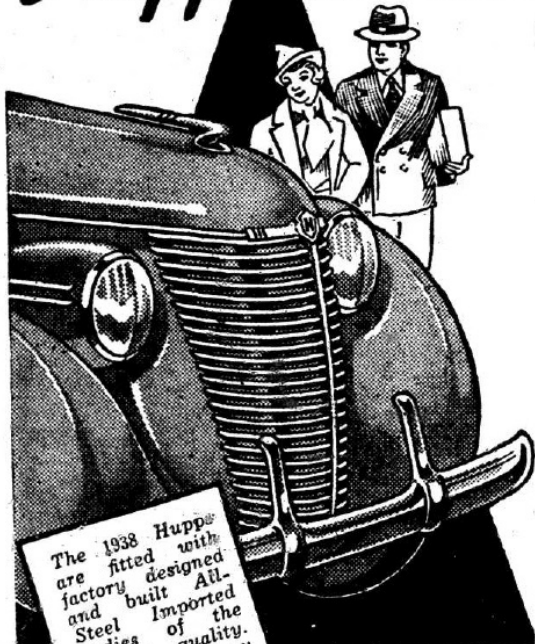

Concern was raised about the Department of Infrastructure on changes to import legislation on heavy vehicles that could see 15 year old trucks being banned from Australia.

Old advertisement

Hupp has always built a good car

The 1938 Hupps are fitted with factory designed and built All-Steel Bodies of the highest quality. They give you more room, comfort and safety than you've ever enjoyed in a car.

The above is more than an advertising catch-phrase. It is the actual comment of thousands of Hupmobile owners. After billions of hours of driving, over sand, through mud, in drenching rain and scorching heat and biting cold—their verdict is "Hupp has always built a good car."

For 1938 Hupp has created a particularly fine motor car. Not only is it a greater performer than ever before, but it is, without doubt, the most striking of all the 1938 models. The upholstery and interior appointments of the glorious imported coach-work are beyond description. . . . In every detail this new Hupp is sumptuous to an extreme. Once you have sat at the wheel of this Hupp no other car will satisfy you. Come in for a demonstration, and you be the judge.

FEATURES OF THE 1938 HUPMOBILE:

Wheelbase 122 in. (6-cyl.) 101 h.p. . . . Extra wide front seat (55½ in.) . . . Double-action Hydraulic Brakes. All-steel bodies. Economical L-head Engine. Aluminium-Alloy Pistons. Non-glare "Vee" Windshields. Safety Glass all round. Full-pressure Lubrication. Crankcase Ventilation. Hydraulic Shock Absorbers. Larger Luggage Compartment, with spare tyre concealed and protected. Control-air Ventilation. Short-shift silent transmission. Balanced Weight. Ample Power.

Supper Roster

The **3** rostered ladies are requested to each bring **2** loaves of bread in sandwiches, which will be reimbursed to about **\$20** each. The Club's Catering Committee will provide milk and packets of sweet biscuits to supplement the sandwiches.

Thank you to the ladies who provide the supper each month - the club members do appreciate it. Please note that you or your spouse can pick up the containers at the Club meeting the month before.

If you can't make it to your rostered meeting, please contact another rostered member and swap nights. Contact Kris Healey for further help.
