**President's Report**

I would like to back up Secretary Barry Croke's comments in the Journal regards the composition of the 2022-2023 Committee and sub-committees. Please give it some thought and put your name forward. For some time now it appears that the same names keep appearing, and it would be great to have some of the younger members in particular coming forward.

Following the receipt of the latest printing invoice (*see Brendan's notes below*), Treasurer Peter Vibert has analysed the costs of printing and distributing the Journal, comparing current and future costs. I found quite alarming, and I think most members would feel the same. Like all members, I do not want to see the excellent standard of the Journal compromised by increasing costs. It was discussed at length at the last committee meeting that we need to find a way around this. The costs of printing and distributing the Journal in future could approximate the amount we now pay in subs.

Discussions put forward at this meeting were as follows:

1. Encourage more members to receive their copy of the Journal on line. There are quite a few that do not have internet access and these members will still receive their copy by post.
2. That the Journal be printed only in black and white.
3. Re-arrange the layout of the Journal so that the use of colour is restricted to just a few sheets.
4. Specific fee for the Journal as an optional part of the annual subscription.

It is proposed to discuss these options plus any other solution you may have at the General Meeting on 8<sup>th</sup> September. Unfortunately I am not available for this meeting and Vice President Trevor Dainton will be in the chair. See you in October,

Regards,

*David Grant*

**From the Editor**

It is with great sadness that I advise of the recent passing of Bunty Corbet. She and her husband Lou were foundation and life members of the club. No details are available yet.

Everything is set for the Swap Meet– let's hope the weather helps us out. Most sites are sold (probably all of them by now) and the Swap Committee and helpers are prepped to get the showgrounds ready on Saturday.

We received an interesting invoice from Viatek recently that was more than the cost of the printer! They had charged us an extra fee for all the colour A3 pages we've printed since we bought the machine in 2019! They have since waived those fees as we were never told that colour A3 prints had that extra fee. We'll pay it from now on so I will be arranging pages in the Journal to maximise the number of mono pages. Hopefully that can keep our printing costs to a minimum. I'll detail this month's costs in next month's Journal. The electronic version on the club website will still be full colour. We've missed out on a lot of income having missed the last two swap meets. To help keep costs down, let me know if you'd be happy with just reading the electronic version of the Journal and I'll stop sending you the paper copy.

The club's AGM is coming up in November, so now is a good time to consider nominating for a position that you think you can handle. Have a chat with a committee member or office bearer to get an idea of what's involved. I'm sure you'll find it rewarding to help run the club. I'll send out a nomination form next month.

Well done to Lloyd Healey – his recent Shepparton Citizen of the Year award has led to a nomination for the Regional Community Achievement Awards. Top work, Lloyd!

See you at the meeting. Don't forget to wear your name badge so everyone knows who you are!

Regards,

*Brendan Walsh*

If you're not receiving a monthly email advising of a new Journal being available on our website, then you need to let me know! Just send a message to the Club's email address (top of page 2) and I'll add you to the list. Over 150 members now get this monthly message, plus other messages from the Club between Journals.

**President** David Grant opened the meeting at 8pm explaining meeting and safety protocols.

A motion for acceptance of the minutes of the July 14 general meeting as published in the Journal was moved by *Bill Winters* and seconded by *Alan Lavis*, then agreed to by members present.

There was no business arising from these minutes.

**Correspondence:**

Inwards :

- Ten newsletters/magazines from other clubs had arrived and were at the front table for members' usage.
- John Truman's letter indicating illness had resulted in him having to stand down from the Club Captain's position.
- Phil Podbury's letter on suggestions for club anniversary celebrations.
- Letter from Merrigum and District Historical Society seeking the presence of members' vehicles at the Sunday Oct.16 Heritage Day.

Outwards:

- A club letter to John Truman regretting John's predicament and thanking him for his input, also expressing our hope he would be able to return to club activities.
- A letter to Phil Podbury expressing the committee's appreciation of his ideas.
- A letter to Mrs.Pat Weber for 18 volumes related to motoring donated to the library.

- A reply to the Merrigum and District Historical Society indicating members intending to attend on October 16 would be known after our September 8 meeting.
- Acceptance of correspondence followed the motion from *Allan Weeks*, seconded *David Vibert*.

**REPORTS:****Treasurer's Report**

Peter Vibert tabled a four page report for the period July 11 to August 11. Expenses for the month of \$11,335 included SWAP preparations, Journal costs, insurance for annual public risk and property and Christmas in July refunds. Mention was made of the Committee's agreement to arrange an interim withdrawal of \$15,000 from the fixed term deposit to assist as a cash advance for SWAP's September event.

Annual subscription 2022-23 : The Committee had discussed the Treasurer's recommendation that the subscription remain at \$70. Peter Vibert asked that members ratify this by consideration the motion "Subs remain at \$70"....*Peter Vibert*, seconded *Rob Fletcher*. Passed.

**Events s/c**

The President welcomed and thanked Hugh MacFadyen for taking on Club Captain responsibilities.

Hugh spoke to the August Journal notes describing coming events;

- Aug.17 - Rushworth and Colbinabbin with 9.30 departure;
- Aug.20 - Social day at Peppermill;
- Aug.28 - Federation picnic at Marong with 8am departure.
- September 29 run will be to Kestrel Helicopters at Mangalore with lunch at Nagambie.

**Catering s/c**

Julie Mahoney and David Grant made particular note of the catering provided for the Annual Federation Meeting at Congupna that was greatly appreciated by heritage motoring club representatives from throughout Victoria. Julie indicated there had been a great response from the members who obtained their Food Handling Certificate which enables the catering group to comply with Shepparton Council requirements for SWAP food stalls.

Names need to be left with Julie to indicate attendance at the November 26 Anniversary celebration. Both Julie and Peter Vibert urged members to formalise their interest in this event by paying the \$55/person attending to the Treasurer.

**Committee Notes****Facilities Maintenance s/c**

Greg Sutherland stated gravel for the parking area would be delivered and shrubs obtained. These will be attended to in a working bee to be announced.

**Delegates**

Alan Lavis will attend the annual AOMC meeting at Seymour.

**Special Kyabram Event**

Allan Weeks spoke of the Tuesday September 20 event at Kyabram railway station. Members were invited to attend this official opening of the mural and refurbished platform where a BBQ lunch will be available for attendees.

**GUEST SPEAKER**

Snr. Cons. Chris Westrope was introduced by Terry Brennan. His address on scams and security issues enlightened members about the need for care, vigilance and properly considered responses. Engaging discussion followed and included talk about aspects of the 13.5 kg equipment kit worn by Victorian Police.

**GENERAL BUSINESS**

Barry Croke spoke about his article foreshadowing a club survey in the August Journal. This is needed so our club, the AOMC and the Federation can position heritage motoring in the public's perception as an activity that has minimal threat to achieving a low carbon emission world. Heritage motoring needs factual description based on what members do and needs to be given a perspective against the fossil fuel dependence of numerous other hobby activities. Members were asked to indicate their interest in developing, collating and interpreting this survey.

**BUY, SWAP AND SELL**

David Grant indicated that Bruce Spencer, who is a patient at Bendigo Hospital, gave notice that he has the following for sale : 1922 Overland project, two Austin Cambridge cars, 1958 Hillman.

*Meeting closed at 9.10pm.*

Notes from the Committee meeting held on 25<sup>th</sup> August 2022.

- Treasurer Peter presented his financial report, including details of arrangements for the swap meet.
- Hugh outlined coming events, including a trip to Mangalore. Due to limited available dates, the club's Progressive Dinner will be held early next year.
- Swap Meet plans are progressing well. A "street trader's certificate" has been obtained from Council.
- Plans for the Club's Anniversary Dinner Celebration are progressing well. The Club will be covering the cost of the band.
- Ken O'Connor was in attendance to speak about the update to the club history that he is writing. He has been visiting older members to talk about their times in the club. Members are invited to contact Ken if they would like to contribute.
- Ken Cuthbert has completed a first draft of the club's asset register.
- Brendan spoke about the recent invoice from Viatek for back copies of large colour prints. This back-charge has been waived but future copy costs will be higher for A3 colour copies. Various suggestions were made to reduce these costs. This matter will be presented to the members at the next club meeting.
- The AOMC has contacted the club to get details about its anniversary celebrations. This may be included in their newsletter.
- Secretary Barry spoke about the proposed club survey. Rob Fletcher and Alan Lavis have offered their assistance.
- The AGM will be held in November. A nomination form will be in the October Journal. Members should consider nominating to help run the club.

## GVMVDC History Update

Greetings Members,

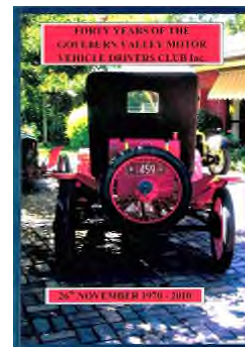

As you may be aware, I have been tasked, along with Brendan and Mick Newham, with updating the History of the Goulburn Valley Motor Vehicle Drivers' Club. This is a project that will require your complete participation and co-operation please. As a lot of events have occurred over the past twelve years, here is your chance to update your profile that was included in Mick Newham's history, which covered the period up to 2010. For those of you that didn't contribute to Mick's book, here is your chance to take your place in history, and be a part of this update.

I would certainly appreciate it if every member of the Club could send me a few words on their respective cars, along with a few relevant photographs. You can email me your literary works to [kloco18@bigpond.com](mailto:kloco18@bigpond.com), along with your scanned images. For those members who are not up with the modern technology, you can either type something up, or to be really unique, write something down on pen and paper, and hand it to me at the next monthly meeting.

Remember, with apologies to John F. Kennedy, "Ask not what your Car Club can do for you, but what you can do for your Car Club!"

Thanking you in advance,

*Ken O'Connor*

## Office-bearers for 2022-23

At the November 10 Annual General Meeting our club has to determine which members will make things happen for another year. About 50 members are needed to cover the numerous responsibilities that keep our club functioning. Members are encouraged to consider how they could assist and have a talk to other members who have already been involved.

Opportunities for involvement can be found by reading page 1 of the Journal, or alternatively, looking through pages 25 and 26 of our 2022 edition of the club Constitution and By-laws.

Current office-bearers want to see the load shared. Being part of the 50 or so members who assist is a terrific way of increasing your involvement in club activities and in shaping the future benefits of the club to members.

So in the next couple of weeks please make a point of talking to a current office-bearer or telephoning them for a talk about possibilities.

*Barry Croke (Secretary)*

**Men's Shed means business**

There are more than 1200 Men's Sheds in towns and suburbs across Australia. Some are more serious than others, as GEOFF ADAMS discovered in the small dairy community of Stanhope.

When you enter the building and see a forklift parked in the corner, you know this Men's Shed means business.

"We're not really tinkers," founding member Des Crichton said about the Stanhope Men's Shed.

"Things happen here more on an industrial scale."

Men's Sheds developed as a meeting place for retired men who were wanting to be occupied and rediscover networks after leaving friends from their workplaces.

Some call it mental health, others see it as simply a hobby shed.

The Stanhope group has expanded its role to include fundraising for worthy local projects and selling some of its projects to raise money for the shed.

### Coffee run to Rushworth and Colbinabbin, 17<sup>th</sup> August 2022

Wednesday's run to Rushworth began at Mooroopna, travelling through Toolamba and Murchison to the Motofinish Cafe at Rushworth for coffee/cake. The open fire added to the atmosphere though not so much to the temperature!! However a very pleasant stay.

After refreshments and a chat we were off to Colbinabbin Hotel for lunch. Our lunch room, with a big open fire, looked directly out to the spectacular silos. The meals were excellent and the staff very friendly. A great spot to enjoy another chat before everyone made their own way home.

20 cars and 38 members attended. It was good to see Rob Balfour and Rob Morcom on the run.

Rally Report

**Federation Picnic, Marong – 28<sup>th</sup> August 2022**

We could not have had better weather for the Marong Picnic if we had ordered it, sunny and warm. We travelled out to Stanhope in the Valiant AP5 to meet the main group travelling from Shepparton, and then continued on to Marong via Elmore and Goornong. We arrived around 10 am.

Due the oval being left soft by recent rainfall, all cars were parked around the perimeter of the trotting track and by around 11 o'clock all spots were taken. While there have been more cars on display in past years there were still plenty of interesting vehicles to check out. My favourite car was a very impressive 1939 Packard Straight Eight with overdrive. The owner told me it will comfortably cruise at 110 kph on the freeway.

We had 16 members from our club (plus some friends) attend and an enjoyable day was had by all.

This wooden sign was recently found in a scout hall. It is as wide as a car and may have been fitted to a roof rack. Service vehicle? Customer courtesy vehicle? For a street parade?

The bracket is real timber, not chipboard and is painted sign writing, double sided, so must be reasonably old. Does anyone know the history of this sign as I would love to know something about it.
