## Goulburn Valley Motor Vehicle Drivers Club Inc

### Statement of Purposes

To foster recovery, restoration and preservation of all types of self propelled vehicles that fall within the broad meaning of the terms -

- Veteran (pre 31-12-1918)
- Vintage (1-1-1919 to 31-12-1930)
- Classic (1-1-1931 to vehicles older than 25 years)

To conduct the sport of motor vehicle rally driving so as to promote and encourage that sport.

To conduct such events and activities as the Committee considers appropriate to:

- (a) increase the members' awareness of our motoring heritage, and
- (b) enable the exchange of information and vehicle parts between similar clubs and interested members of the public.

**RED PLATE VEHICLE PERMIT RENEWALS**

When your Club Permit is due for renewal, you can:

- bring the papers to a club meeting for signing,
- post them with a self-addressed envelope to G.V.M.V.D.C.Inc Permit Officer, c/- P.O. Box 6, Shepparton 3632 and the Permit Officer will sign them and return them, or
- post them to the Permit Officer with a cheque and an envelope addressed to VicRoads and the Permit Officer will sign them and send them on.

See the Permit Officers at a meeting for further details. You can also contact Peter Vibert on 0408 333 172 or 5823 5865 to arrange a time. Peter lives at 7 Cardinia Court, Kialla Lakes.

**CLUB LIBRARY**

A full listing of the Club's books, manuals and DVDs is available in the library at club meetings.

**CAR PHOTOS**

Each member is entitled to have one car photo on the wall at no cost. Give your 220x140mm photo to Hugh MacFadyen with your details and the car's details. He will do the framing. Further photos can be done for \$10 each. See Hugh for details.

**JOURNAL**

Contributions for the next Journal should be to the Editor by the end of this month.

*"All I'm getting is a high-pitched screech rising in pitch."*

Vice President's Report

At a recent club outing, one of our committee members undertook an impromptu review of the status of club permit vehicles in attendance. 'Why,' you may ask, 'is a committee member checking on club permit vehicles?'. A good question; I'm pleased that you asked. VicRoads' Club Permit Scheme rules include provision for a club's approval to participate in the Scheme to be revoked if club members engage in non-compliant or inappropriate use of a vehicle on a Club Permit.

Now, back to the review results; they were quite encouraging, with 96% of vehicles complying with the requirements of the Scheme. Well done you! Unfortunately, it does mean that 4% were not complying, so for that 4% I will reiterate the requirements for participating in the Club Permit Scheme:

- 1/. Pay your Club Permit Renewal fee when it is due. The onus is on you to know when your permit expires and to renew it by that date, even if VicRoads haven't quite gotten around to issuing you with a renewal notice;
- 2/. Remember to affix the new Permit label to the windscreen of your permit vehicle when you have paid the renewal fee;
- 3/. Complete an entry in your Permit Logbook for each day that you use your vehicle, in non-erasable ink, not pencil (*what are they inferring?*); and
- 4/. Ensure that you affix your Permit plates and your Permit label to the **correct** vehicle; an easy mistake to make in these days of competing demands for your time and attention.

Because the Club Permit Scheme is a permit to operate an unregistered vehicle on public roads, failure to comply with the Scheme's requirements places you are at risk of being penalised for driving an unregistered vehicle. Penalty? 962 of your hard earned. And if that were to result in the Club's approval to participate in the Scheme being revoked? Not happy Jan!

Regards,

Robin Fletcher

From the Editor

It's the coldest time of the year but there are still plenty of things to do with our old vehicles. Looking just at Club events, we've had a coffee run to Nathalia, a Saturday morning get-together and a Sunday run to Seymour. I also went to Winton and the Hamilton rally, so plenty to talk about.

There were a few Club Permit renewals sent out by VicRoads recently that had 2023 as the expiry year on the sticker. You can still pay your fee with this renewal notice. VicRoads will be issuing correct stickers soon.

You might remember that we did a member survey about what we do with, and spend on, our club vehicles recently. The Australian Historic Motoring Federation is planning a similar survey via state motoring bodies "to gain valuable data on the economic value of the enthusiast movement in Australia". The link will be forwarded to members when it arrives.

Don't forget to check the swap rosters on p20-21.

See you at the meeting. Don't forget to wear your name badge so everyone knows who you are!

Regards,

Brendan Walsh

## General Meeting Minutes

*Minutes of the General Meeting held Thursday 8<sup>th</sup> June 2023 at the clubrooms with 51 members in attendance, and apologies from 18 members being recorded.*

**Vice-President Rob Fletcher** opened the meeting at 8pm thanking attendees for their presence on a cold and wet evening. After noting meeting arrangements, the Vice-President asked the gathering to observe a minute's silence to reflect on the passing of Peg Hill. Her long association with the club, together with her late husband John Hill were noted. **Visitors:** Joan and Stephen Ritli who are interested in becoming club members were introduced by Leigh Johnston and welcomed.

**Minutes:**

The record of the May 11 meeting, as published in the Journal, was accepted following the motion of *Allan Weeks, 2<sup>nd</sup> David Grant*. No business arising.

**Correspondence:**

- Bendigo National Swap seeking volunteers for their November 12/13 event and offering incentives. Interested members to contact Lloyd Healey.
- Council advising of an application for planning permit at 12-26 Apollo Drive. No concerns noted.
- Club advisory note to elderly citizens homes (Ave Maria, Harmony Village and Shepparton Villages) stating we will make contact in August to arrange visits, plus their responses.
- Note to Western District Historic Vehicle Club accepting their offer of "Backfire" being sent by email rather than hard copy. Committee to discuss how members access such emails in the future.

*Barry Croke* recommended acceptance of the report and *Hughie MacFadyen 2<sup>nd</sup>*. Passed.

**REPORTS:****Treasurer's Report**

Transactions (May 25- June 8) and account balances were presented by Peter Vibert as a two page report. Noted that the club funds provided a \$514 supplement to \$486 of cash donation to Peter MacCallum received at our May 21 display of vehicles. This Committee decision received acclamation. *Peter Vibert* moved, *2<sup>nd</sup> Lloyd Healey* and report accepted.

**Events s/c**

Club Captain, Leigh Johnston, spoke to the listing of forthcoming events on pages 6 and 7 of the June Journal. Seven events are listed for June including reintroduction of a Sunday run (to Seymour) on June 18. Christmas in July (at Bright) now fully booked. Contact the club for entry forms to Federation North West Tour (Aug.27-Sept.1) and Wangaratta Spring Rally (Sept.15-17).

**Rally Reports**

John Truman spoke of his and other members' attendance at Peg Hill's funeral and of the contribution she and her late husband had made to the club.

**SWAP Report**

Showground facility booked for September 10 and Lloyd Healey emphasised the need for club volunteers to stage the event. Please contact Lloyd.

**National Motoring Heritage Day**

The Committee recommended holding this display of members' vehicles again in May 2024 and the Lake Victoria site has been booked.

**Social s/c**

Trevor Dainton mentioned the Saturday June 17 arrangements.

**GUEST SPEAKER:**

No arrangements made for tonight.

**GENERAL BUSINESS:**

- Club subscription outlook : Initial discussions that would lead to a recommendation for '23/24 membership fees started thinking at the May Committee meeting. Peter Vibert outlined that our club would have an annual operating deficit of about \$20,000 without the SWAP income. This is a shortfall of about \$99 per member. Other club income of \$13,400 is essentially the result of the \$70 membership fee. Members discussed the importance of SWAP income, comparison of fees with other clubs and suggestions of increasing fees to as much as \$100 annually. Committee to determine recommendation on fees for the August or September general meetings.

Committee Notes

- Journal display : Allan Weeks drew members' attention to the wonderful five page photographic display in the June Journal. Brendan Walsh had sorted by year of manufacture order for the 83 cars on display on May 21. Acclamation followed.
- Club banners : The new indoor club banner was noted and Brendan Walsh is to design a display of members' cars for two feather banners to use at outdoor events.

**Buy, Swap, Sell**

Ray Mullins stated he had sets of light globes, Corolla points and a drum of Mobil 20/50 super oil available at no charge.

Peter Vibert noted availability of an MG(TF) and Jaguar 2.4l and 2.8l manuals.

*Meeting closed at 8.45pm, then adjourned for supper.*

Notes from the Committee meeting held on 22nd June 2023.

- Preparations for the Swap Meet are progressing well. Rosters will be in the July Journal.
- The Sunday run to the Seymour Railway Heritage Centre went very well. A Mystery Run is being planned for October.
- The AOMC recently ran a Club Management Seminar where taxation obligations of not-for-profit associations were discussed. Our club may be liable in the future as we do not run competitive events to qualify as a sporting club. Barry and Peter will meet with member Derrick Brown (a retired accountant) to discuss implications. (The results of this meeting will be discussed with members.)
- Subscriptions for 2024 were discussed. Robin had investigated what other car clubs are in the area. He found that our subs were comparable but that we offered members more benefits and events. The Committee decided to recommend that subs stay at \$70 for next year.

## Salute The Vauxhall Victor

### A Completely New Car In Every Detail

Here is a car with plenty of room . . . Note these Victor appointments: wide, well-upholstered adjustable full width front seat covered in elegant, hard-wearing modern ELASCOFAB . . . "Z" type springing in seats and squabs . . . footrests and ashtray for rear passengers . . . washable color-matched headlinings and door trim . . . wide-swinging, well-shaped doors with easy-to-reach locking buttons, and safety rear door locking device . . . armrests on all four doors . . . courtesy switches for roof light operated by front doors . . . these are features that mean so much in motoring comfort and enjoyment. Owner reports already credit the Victor with 40 m.p.g. Even though the Victor is so low (only 4ft. 10in. high), headroom is generous, ground clearance ample. Here is panoramic motoring, at its best. Almost 16 h.p. It weighs a ton.

See it today and ask for a demonstration at your Exclusive Goulburn Valley Distributors—

**Ultra modern big-car styling:**  
Motoring's newest long, low and wide design puts Prefect years-ahead in styling. And there's loads of room for 4 big people plus a spacious luggage boot.

**Outstanding performance and economy:**  
Really sparkling top-gear performance, remarkable acceleration, and petrol economy up to 40 m.p.g. mean all-new, all-better 10 h.p. motoring with Prefect.

**Miracle-Ride comfort:**  
The very latest advance in suspension, between axles seating for all passengers, and low centre of gravity mean entirely new smoothness, stability and safety.

## Coming Up

## **German Auto Show, Calder Park Thunderdome – 27<sup>th</sup> August 2023**

All German vehicles are welcome at this show, which this year will showcase 100 years of BMW motorcycles. Gates open at 10am and vehicle entry is \$10/car prepaid or \$20 on the day. Public entry on the day is by gold coin donation (U-12 free). Fliers are at <https://www.aomc.asn.au/car-shows-and-events-calendar>

## **\*\*Shepparton Swap Meet, Showgrounds – 10<sup>th</sup> September 2023**

Plans are well advanced for this year's Swap Meet.

Members, please check the gate and canteen rosters in this Journal. If you can't be there at that time, contact Lloyd on 0458-299 466 to arrange another time. If your name is not in the rosters and you can help, Lloyd will be glad to hear from you!

## **Spring Rally, Wangaratta – 15<sup>th</sup>-17<sup>th</sup> September 2023**

The 52<sup>nd</sup> annual Spring Rally promises touring through the picturesque King Valley and sumptuous meals at the historic Vine Hotel – what more could you want!

The weekend includes a dinner on the Saturday night and a mystery trivia drive on the Sunday morning. Entries close on 8<sup>th</sup> September – forms are available at our club meeting.

## **National Show and Shine, Euroa – 1<sup>st</sup> October 2023**

This year's Show and Shine is expected to be back in Seven Creeks Park (subject to creek levels and weather). Entry is \$10 /car and driver, \$5 /bike and rider, \$5 /adult, U-16 free. Clubs wanting to park together can contact the organisers to keep a space for them.

## **\*\*Mystery Mid-week – 18<sup>th</sup>-19<sup>th</sup> October 2023**

For something a bit different this year, instead of a mystery weekend we are having a mystery mid-week. This shall be held on Wednesday the 18<sup>th</sup> and Thursday 19<sup>th</sup> October.

All you need to do at the moment is put your name down at the July club meeting or contact either Leigh, Hugh or Alan if you wish to go.

We will require a deposit of \$50.

## **Bay to Birdwood, Adelaide – 22<sup>nd</sup> October 2023**

This annual event has up to 1700 vehicles (up to 1993 models) travelling together from West Beach in Adelaide to the National Motor Museum in Birdwood, a distance of 67km. The streets along the route are lined with spectators and the weather is usually great! Everyone should do it at least once.

Details at the website <https://baytobirdwood.history.sa.gov.au/>

## **Morris Register National Rally, Shepparton – 24<sup>th</sup>-29<sup>th</sup> April 2024**

Up to 150 cars are expected to attend this national rally in April next year. There will be a big display at the Vic Park Lake for the public to see them all.

Details are on the club's website at [www.moreg.org.au](http://www.moreg.org.au)

## **GT Falcon Nationals, Shepparton – March 2025**

Over 400 vehicles are likely to attend the GT Falcon Nationals in 2025. Can't wait to see them!

Rally Report

**Historic Racing, Winton – 27<sup>th</sup>-28<sup>th</sup> April 2023**

The forecast was for fair weather on the Saturday and possible showers on Sunday, so I headed there in the Jag on Saturday. Cal was already there – he and a few mates who were running in the Regularity class were camping on site for the weekend. Apparently they had a great time!

There were a few club members there, including George in the Zeta ute. It's not often you see a Zeta out and about but there was another there (do they call it a sedan?) in the display carpark →.

As usual, there was a big variety of vehicles in the carpark, and the Austin Seven Club had a great display in the hall near the end of the back straight. I hadn't seen the Holden-bodied fabric saloon before – it looked to be mostly original.

I think numbers of vehicles racing were down a bit – maybe it hasn't recovered after Covid yet?

Overall it was a great day – I'll be there again next year.

## Rally Report

**Welcome Back Tour, Hamilton – 9<sup>th</sup>-12<sup>th</sup> June 2023**

The Hamilton club hasn't had what used to be their annual Queen's Birthday Rally since 2019, for obvious reasons. The committee weren't sure if enthusiasts would come back after a few years off, but with an entry list just over 100, it was clear that regulars wanted to attend again.

Our family usually gets together for this rally. This year we had four cars attending – 1922 Chenard et Walker, 1939 Standard Flying 8, 1958 Ford Zephyr Mk II and 1965 Jaguar 3.8 S-type. They all performed very well, the Jag doing over 1000km for the weekend.

We don't often see other GVMVDC members at this rally due to the distance but Doug and Jenny Andrews were there in their Riley drophead →. While there, one of the other Riley members presented Doug with a framed certificate for 50 years of membership of the Riley Club – well done Doug.

Entrants could check in on the Friday evening or Saturday morning and the actual rally started with three groups heading off on Saturday to different destinations. The Casterton Kelpie Festival is always popular and one group headed that way for the day.

Group Two headed west to visit the Wannan Falls and the Nigretta Falls. Both falls are on the Wannan River and are only about 10km apart.

Group Three followed a 1925 Dodge (not mine) to Peshurst for a look through the Volcano Discovery Centre. We checked out a second-hand book shop in Peshurst and came home with a few bargains!

Sunday's run was north to the historic town of Harrow, outbound via Clunie Station and home via Coleraine. At Clunie's woolshed ↓ we were given a very interesting talk about the history of the property and the current farming that takes place there. We didn't get to the homestead but did get to check out a couple of original stone buildings on the property ↘.

At Harrow we had some lunch and then checked out some of the town's historic buildings and displays. The trip back was through the beautiful countryside ↓ around Pigeon Ponds, Koonongwootong and Coleraine. The official rally dinner was on the Sunday night.

Monday started with the traditional breakfast at the club's base in the Hamilton Pastoral Museum, before a short trip to Dunkeld to visit their Historical Society and sawmill. We cut our trip home down by about 30km by leaving from there!

A great weekend, as per usual.

Club Coffee Run to Nathalia and Barmah – 14<sup>th</sup> June 2023

On a rather bleak and cold Wednesday we headed off to Nathalia for morning tea at Brereton’s Bakery. 26 Club members enjoyed morning tea in the warmth of the bakery.

Following this we went to the Nathalia history museum where upon we were welcomed and were provided with a tour of the museum, both interesting and informative. One thing I did not know was that tobacco used to be grown around Nathalia – there are old tobacco kilns at the museum. One of the volunteers at the museum was club member Roger Young, he had his very nice XW Ford Fairmont V8 parked outside.

After this we adjourned to the Barmah Hotel for lunch. Most of us took the scenic route via the Broken Creek Drive and Picola. Following a tasty lunch at the hotel we all made our way to our respective homes, another pleasant Club outing.

Ladies’ Lunch, Shepparton – 16<sup>th</sup> June 2023

Our last Ladies’ Lunch was held at Cellar 47 on 16<sup>th</sup> June where seven of us got together to enjoy a beautiful lunch and catch up on the happenings of the past two months.

There is always so much laughter and we hear some amazing stories that we think need to stay at the Lunch (what happens at the Lunch, stays at the Lunch).

Details of the August Ladies’ Lunch are in the Coming Up pages.

**Saturday Social Day, Clubrooms – Saturday 17<sup>th</sup> June 2023**

Our Saturday Social Day was held on the 17<sup>th</sup> June, 2023.

We had a smaller turn-up as we had three of our grey nomads head north for the winter. Happy and safe holidays to Col, Glad and Les. Hope the sun shines brightly.

Thank you to all those that brought along casseroles to share and also those that brought an addition to the raffle table. We really appreciate your generosity.

It always so nice to see smiling faces as we greet each other and sit down to chat and share whatever is on our minds.

Kind regards,

*Sandra*

**Club run to Seymour Railway Heritage Centre – 18<sup>th</sup> June 2023**

We had a great roll-up of 45 members and friends for the first Sunday run we've had for a while. The weather wasn't bad either.

It's a long time since we visited the railway centre, in September 1997 and September 2002! It's grown quite a bit with extra locos and better facilities.

When we arrived, we were welcomed with a cuppa and short talk about the centre and what happens there. We split into several groups for a guided tour of the restored locos and carriages, with interesting commentary along the way.

I thought the ongoing restoration of the dining car Campaspe was most interesting. The original framing had been cleaned up (or replaced if necessary) and reassembled with modern glue and galvanised screws, meaning it should last at least as long this time. The internal timber panels were restored for reuse, as were the original pressed metal ceiling panels. If it is anything like the original photo, it should look very impressive when finished.

After our tours, we headed to the Royal Hotel → for some large and tasty meals!

It was a lovely day out and very interesting – we should go there more often than every 21 years!

**AOMC Report****Meeting Notes of the AOMC Delegates Meeting Monday, 22<sup>nd</sup> May 2023**

There were 72 delegates in attendance representing 65 clubs.

**President's Report:** Keith Mortimer reported that the committee have been working on a strategic plan for the next 5 years, covering areas such as member services, communications, external engagement and research & data. More details will be released when the document is finalised.

A submission has been made to the Federal Dept of Infrastructure regarding their fuel efficiency standards consultation.

The Australian Motoring Heritage Foundation will be conducting a survey of enthusiasts and clubs in relation to the economic value of the movement. This will be released soon and will be sent to clubs.

**Treasurer's Report:** Mark Fenton, AOMC Treasurer, reported that the AOMC finances are currently in a healthy position, and as of the end of April 2023 the AOMC Cash at Bank is \$290,838.00. Events in progress such as the Florence Thomson Rally influence these accounts significantly as revenue and donations are received but are not immediately expensed.

However, the British & European Motoring Show completed earlier in the year has been finalised and has contributed lower than normal revenues of under \$7,000 due to the high costs of running the event at the new Caribbean Park venue. But with the support of RACV we have been able to fund multiple events throughout the metropolitan and country areas to recognise the importance of Motoring Heritage Day as we continue to promote the movement that we represent, while the Florence Thomson Rally, which is organised and run by the AOMC with the financial support of RACV, also provides a forum to promote the heritage vehicle movement to the general community, in this case also recognising the contribution women have made to the motoring world.

It is heartening to see the emergence from the COVID-19 doldrums with funding being used to support current AOMC initiatives such as the upcoming Management and Restoration Seminars as well as other member services and advocacy programs the AOMC committee is actively working on. The time will soon be upon us when we ask all Clubs to renew their membership with the AOMC and we look forward to your ongoing support as we embark on these programs to ensure the ongoing health of the movement that we all believe in.

As we approach the end of the financial year it is also comforting to be able to report that with the professional support of a newly appointed accountant (Terry Stramotas from Benjamin King Money) the AOMC will be able to continue to finalise and satisfy all financial reporting obligations.

The AOMC has satisfied all statutory/compliance requirements and there are no areas of concern with respect to our ability to meet existing financial obligations while funding our strategic initiatives.

**VicRoads/CPS Report:** AOMC and Vic Fed have formed a working group that has been meeting for the last 6 months, and have been looking at arranging a meeting with VicRoads. Keith Mortimer and Neil Athorn finally met with VicRoads and presented several issues to them and stressed the need for ongoing meetings. The issues raised were: abuse of CPS; display rights; retention of log books; confusion around H & M plates; how many vehicles and clubs are on the CPS.

**Code of Conduct:** Tony Hall spoke to the draft Code that was published in the May newsletter. The committee are happy with the wording, but are seeking feedback from clubs. All responses should be emailed to Tony.

**AOMC Events:**

**Florence Thomson Tour.** Maureen Ross reported on this event which was based in Wangaratta and attracted 170 people and 81 vehicles. An event for women only drivers.

**National Motoring Heritage Day:** Several events were held around the state yesterday, and reports were given on them by participants. Clubs are encouraged to send a few photos and a short paragraph on what they did on NMHD.

**Shannons American Motoring Show:** Will take place on Sunday November 19<sup>th</sup> at Caribbean Park.

**Club Management Seminar:** Will be held on Saturday June 17<sup>th</sup> and will cover the business and mechanics of operating clubs. Will have several specialist guest speakers on relevant topics. Aimed at club officials.

**Restoration Seminar:** Saturday July 15<sup>th</sup>. Series of presenters, speakers and trade tables on the day. Bookings essential and limited to two per club.

**Guest Speakers**

**John Lambert** gave a talk on club members that volunteer in the community, and suggested that delegates take back to their clubs that charitable organisations are looking for volunteer drivers to assist with their programs.

**Daryl Meek** gave a very informative talk on his project of digitising the early Victorian registration details. He showed how these records can be used to trace ownership of vehicles, and to assist in genealogical research.

As part of his talk, Daryl outlined the history of the early records, from there being only 50-60 vehicles in Victoria in 1903; the introduction of the Motor car Act in 1909 that provided the framework for registration and licensing. Many of the early records were published in Police gazettes and in Auto Trade manuals and had details of registration number, owner and location.

Daryl's intention is to publish these records online for free access, and he is looking at linking photographs of vehicles with the record. He asked if anyone has a photo of an old vehicle with its number plate visible could they please send it to him to be added to the database. The vehicle needs to be Victorian, have its registration number and vehicle type and any known history.

*Chairman Keith Mortimer declared the meeting closed at 9.20pm*
