## Goulburn Valley Motor Vehicle Drivers Club Inc

### Statement of Purposes

To foster recovery, restoration and preservation of all types of self propelled vehicles that fall within the broad meaning of the terms -

- Veteran (pre 31-12-1918)
- Vintage (1-1-1919 to 31-12-1930)
- Classic (1-1-1931 to vehicles older than 25 years)

To conduct the sport of motor vehicle rally driving so as to promote and encourage that sport.

To conduct such events and activities as the Committee considers appropriate to:

- (a) increase the members' awareness of our motoring heritage, and
- (b) enable the exchange of information and vehicle parts between similar clubs and interested members of the public.

**JOURNAL**

Contributions for the next Journal should be to the Editor by the end of this month.

**President's Report**

September, our busy month, is over for another year. Bearing in mind not only the Swap but the Federation North West Rally being entertained in Shepparton for three days. To all club members involved in both events, a massive Thank You for an excellent job completed with such professionalism.

I have to admit to you all my lack of input for the Friday prior to the swap, due to some Peter Mac surgery, my apologies.

Leigh Johnston and his committee are researching, trialling and conducting very interesting rallies throughout each month, a big thank you Leigh and your team. I for one know it just does not happen without effort and time!!

A reminder to you all, November the 9<sup>th</sup> 2023, we have our General meeting followed by the Annual General Meeting, and nominations for all positions must be in the Secretary's hand by the 2<sup>nd</sup> of November 2023. Believe me it is most rewarding to assist in the management of this Great Club.

Until we catch up next meeting October the 12<sup>th</sup> at 8.00pm.

Keep well and happy,

Regards,

*Neil Rutherford*

**From the Editor**

It's been a good month for our Club. Despite some threatening weather, the Swap Meet ended up a success financially, logistically and socially! We'll hear more from Lloyd at the meeting but it all went very well. We've also had several enjoyable and successful events, notably the monthly coffee run and the Euroa Show and Shine. Reports are in this Journal.

This month we've got the Mystery Mid-Week Rally and a coffee run to Murchison and Longwood. There are also a few members heading to Numurkah for Show Us Ya Wheels and to Gippsland for the Gateway to Gippsland Rally over the Melbourne Cup weekend – I'm sure they'll have a great time!

Next month is the Club's AGM, and a nomination form is included with this Journal. Please consider how you can help with the management of the Club and its sub-committees. Get your nomination form in to the Secretary by 2<sup>nd</sup> November.

The AGM also indicates that annual subs are due. You can pay by cash or EFTPOS at the meetings, or by EFT anytime – details are on page 2. If there are any changes to your personal details, let me know using the enclosed renewal form.

There's an AOMC report in this Journal. A Federation report will be in next month's Journal.

And here are the answers for the last crossword- sorry, I forgot it last month!

Don't forget to wear your name badge at the meeting so everyone knows who you are!

Regards,

*Brendan Walsh*

If you're not receiving a monthly email advising of a new Journal being available on our website, then you need to let me know! Just send a message to the Club's email address (top of page 2) and I'll add you to the list. Over 150 members now get this monthly message, plus other messages from the Club between Journals.

## General Meeting Minutes

*Minutes of the General Meeting held Thursday 7<sup>th</sup> September 2023 at the clubrooms with 69 members and one visitor in attendance, and apologies from 15 members being recorded.*

**President** Neil Rutherford opened the meeting at 8pm with advice on meeting arrangements and facilities. He also welcomed visitor Don Needham and made particular mention of Robin Fletcher's role in acting for him in his absence with such excellent outcomes.

**Minutes:**

The minutes of the August 10 meeting, as published in the September Journal were accepted following the motion of *Allan Weeks, 2<sup>nd</sup> David Vibert.*

No business arising.

**Correspondence:**

1. Numerous newsletters from other clubs available on a front table.
2. Advice from VicRoads about 2000 club permit renewals having recently been sent without logbooks. VicRoads will be sending books to affected permit holders.
3. Shepparton Council advice on bins for kerbside collection.
4. Dept. of Gov. Services Sept. 6 emails about reform of Incorporation regulations, including –
  - i. Commissioner for Better Regulation explanatory five page letter
  - ii. Survey seeking club's assessment of the reformed regulations by September 15
  - iii. Regulatory Impact Statement : 62 pages prepared by Deloitte
  - iv. Associations Incorporation Reformed Regulations : 70 pages
  - v. This material will be considered at our September Committee meeting.

*Barry Croke* moved, *2<sup>nd</sup> Robin Fletcher*, the acceptance of the correspondence report.

**REPORTS:****Treasurer's Report**

Peter Vibert tabled a five page report for the period Aug 8 – Sept 7. He described the numerous transaction activities, mainly including receipts for membership, Swap sites, Swap sponsorship, catering for the Federation NW Tour, and of the October mystery rally totalling \$12,800. Expenses of some \$7000 were associated with these activities and with routine expenses such as Journal and rates.

*Peter* recommended acceptance of his report, *2<sup>nd</sup> Kris Healey*, Carried.

**Events s/c**

Club Captain, Leigh Johnston mentioned some 15 events listed in the September Journal, especially the Social Day at clubrooms (16<sup>th</sup>), monthly run departing clubrooms at 9.30am for Winton and Glenrowan (20<sup>th</sup>) and the October 18/19 mystery rally.

**Rally Reports**

George Coad told about his visit to the historic race car events at Winton and his involvement, together with John Pettigrew, in a veteran motor bike rally over a week around Bundaberg to which they took 6 machines.

**Catering s/c**

Julie Mahoney expressed the gratitude due to numerous people who made the catering exercise for the visit by Federation NW Rally participants possible. Neil Rutherford elaborated on this and mentioned the special efforts from :

Julie Mahoney	Bev Brownley
Lorraine Threlfall	Sue Agosta
Evie Boschetti	Bill Winters
Jenny Monteleone	Robyn & Hugh MacFadyen
Alan Lavis	Lindsay Braybon
Jenni Blake	Lloyd & Kris Healey
Helen Paul	Jenny Grieve
Lea Grant	Glenn & Annette Braybon
Cheryl Simpson	Judy Bedford

**AOMC**

Alan Lavis spoke about the Ballarat country meeting for delegates that will be reported on in next month's Journal.

**SWAP**

Lloyd Healey provided an extensive briefing for members so that they can stage September 10 Swap meeting. This included preparations commencing 8am on September 9, organisational arrangements during Sept 10 and the cleanup program.

**Facilities s/c**

Greg Sutherland described the weed control and maintenance tidy-up recently achieved at a working bee in the club's grounds.

**Social s/c**

Col Grace reiterated arrangements for Sept 16 Social Day and encouraged attendance.

**GENERAL BUSINESS:**

1. Visits to Aged Care Facilities : Barry Croke explained earlier contacts with these following member support for Heritage Vehicles being made available to display. About 12 members indicated interest in a display at the Ave Maria (the first to initially indicate interest). Barry will explore specific arrangements and inform members.
2. Electrical safety : John Truman drew attention to a type of double adaptor that he found seriously overloaded. He drew members' attention to the danger, especially fire, of using adaptors for electrical equipment drawing bigger currents.

**Buy, Swap and Sell**

Col Grace mentioned that his MGB Roadster would be part of a special sale at his Violet Town home.

*Meeting closed at 9.05pm and adjourned to supper and member interaction.*

**Committee Notes**

Notes from the Committee meeting held on 28<sup>th</sup> September 2023.

- **SWAP MEET**
  - Treasurer Peter gave a draft comparison between the 2022 and 2023 Swap Meets. This year's was only slightly down on last year. The Term Deposit might be increased for next year in line with a small increase in site fees (unchanged since 2012).
  - Lloyd was very happy with how members helped out prior to the swap and how the day went overall.
  - Kris Healey was authorized to buy a "smarter" phone for Swap Meet use.
- Peter will investigate how the Club can cover some of the costs of our delegates travelling to AOMC or Federation meetings.
- The Catering Committee were authorised to :
  - investigate replacing the current domestic oven with a commercial unit,
  - investigate options for a shutter over the kitchen counter,
  - purchase a larger microwave oven,
  - purchase another food trolley.
- The AGM is in November. The nomination form will be in the October Journal. Members to be encouraged to consider standing for a position.
- New shelving is to be purchased for the containers.

**Catering Notes**

On behalf of the Catering Committee, I would like to thank all those club members who have helped us over the past month with our catering activities, especially with the Federation N.W. Tour. We would particularly like to thank Judy Bedford, Jenni Blake, Lea Grant, Jenny Grieve, Robyn MacFadyen, Jenny Monteleone, Helen Paul and Cheryl Simpson, who made slices and/or casseroles to help us out. A big thank you also to Robyn and Hugh MacFadyen, Jenny Monteleone, and Neil Rutherford for your invaluable help with serving our visitors their meals. It was a very busy two days and we were extremely grateful for all your assistance.

Just for your information, the first night we served roast chicken or beef, with sticky date pudding or fruit salad and ice cream for dessert. The next day, we provided slices for morning tea, a salad roll and fruit tub for lunch and a variety of casseroles or lasagne, followed by apple crumble or fruit salad and ice cream for dinner. We are happy to report that we were given good feed-back about the variety of food and by all accounts, everyone enjoyed their meals.

The Swap Meet went off well, with lots of food sold and many happy customers. It was also pleasing to hear the positive feedback about the prices being good value for money. Again, there were many wonderful club members willing to give 100% preparing, cooking and serving food to the crowd of people in attendance. Thank you one and all for your marvellous efforts.

At our next meeting, we will be discussing the catering for the Christmas Party in December.

Kind regards,

*Julie Mahoney*

**Nominations**

Our November 9 Annual General Meeting signals the time when members can reflect on how their club is operating.

Please consider the possibilities on the nomination form enclosed with this month's Journal. If you think you could make an input please ring a Committee member to explore what might be possible and then decide if you might nominate for a position. Alternatively you may have already decided to nominate for a position.

## Rally Report

**Federation North West Tour, 27<sup>th</sup> August-2<sup>nd</sup> September 2023**

The Tour started from the **Marong Federation Picnic** on 27<sup>th</sup> August, and visited Kerang (two nights), Swan Hill, Echuca and Shepparton (two nights) over the week.

There were 36 cars, mostly with two people on board, ranging from a 1927 Amilcar to more modern and comfortable classics, including three towing period caravans. (The "Golden Oldies" Tour is a similar Federation rally for vintage vehicles, which is run each alternate year.)

Entrants came from a wide area, including Ballarat, Bendigo, Melbourne, Sydney, and of course, GVMVDC Inc. The GVMVDC Inc. crew consisted of the Healeys, Johnstons, Grieves, Lindsay Braybon and Lavis's.

This report outlines some of the highlights of the Tour, rather than blow-by blow details.

**Kerang:** After checking in to our motel, we were invited to a private museum in town; a collection of assorted household / farm / workshop items. And what a collection it was. There were thousands of items, mostly well restored. If it had brass, it was polished! - an excellent collection.

**Kerang** is a modern, prosperous regional town, providing all of the services we take for granted. I have been driving past the clock tower in the main street for 50 odd years – it is the **Kerang Memorial Clock Tower**, built in 1933 in memory of the sports mistress of Kerang High School, who drowned in 1927 while conducting swimming lessons in the then swimming "pool" in the Loddon River. I will bet that you didn't know that either?

We had lunch at the Rotary/Kerang Car Clubrooms, hosted by the **Kerang and District Vintage Motor Club**. It was a nice lunch at a nice venue – well done.

The **Quambatook Heritage Working Machinery Museum** has a great collection of vintage harvesters, headers and tractors, reflecting the rich grain and wool growing heritage of the area. The site is adjacent to the Tractor Pull arena which Quambatook is famous for. The town is also famous as the place where **John Williamson** (singer/songwriter – "Mallee Boy") grew up.

The 40 km trip to Quambatook also showcased the “**Car of the Tour**” and its driver Colin Maginnity. The **1927 Amilcar C4** (think French Austin 7) is a 1003 cc (those 3 cc make all the difference!) two-seater “sporting car” with no side curtains or generator. The morning was cold and foggy, with Colin dressed like an eskimo and still shivering. The Amilcar completed all the runs, sitting on about 75 kph. Well done, Colin.

**Barham-Koondrook** – the highlight of our run to Barham was the **Border Flywheelers Club Heritage Museum**, which is housed in an old brick factory, complete with brick kilns (no longer working). A feature of the museum was the working (but not for us!) steam boilers and engines. There is also a good collection of tractors and farm machinery, and many good displays.

Barham-Koondrook is also the home of “**The Great Australian Squeeze**” orange juice. The family-owned business grows oranges on an orchard at Barham, and juices and bottles them. We saw the fruit receive, juicing plant and packaging plant in Koondrook. The Great Australian Squeeze is great OJ, and is stocked in Safeway – we are back having OJ for breakfast now!

**Swan Hill:** En-route to Swan Hill we called in to the **Lake Boga Flying Boat Museum**. The Catalina and the display of the war-time base is excellent. The morning tea they put on wasn’t bad either.

From Swan Hill we headed out to **Nyah West**, to **Ron Dehne’s Ford Tractor Collection**. Lloyd and John were in heaven! Ron and Marilyn have over 120 tractors, mainly Fords and under cover. Ron also has some trucks and earthmoving equipment. It sounds like a hobby that got away from them? There is a sign in the lobby, I think quoting Marilyn: “**Once we had money, now we have tractors.**” They put on a good afternoon tea too.

*“Once we had money, now we have tractors.”*

On the run from Swan Hill to Echuca, we headed out to **Benjeroop Hall**, on the bank of the Loddon River, for morning tea (of course!). The **Benjeroop** area got a hiding in the October 2022 floods, and also in 2011. It hasn't really recovered, as a lot of the irrigation water has been sold out of the area, and once prosperous farms are now really just hobby farms.

At the Hall, they have built a great working display of a restored **Hornsby Gas Engine Irrigation Pump**, which was imported over a century ago for irrigation on a NSW property. It consists of a 3 m high by 1.5 m cylindrical gas producer (remember gas producers on cars during the war?), a spark ignition engine (maybe 5 hp?) with a 10 tonne flywheel, driving a 20 inch Robinson centrifugal pump. To operate it required a steady supply of redgum firewood to produce gas. For display purposes, it is run on LPG.

One of the Hall Committee members, who had restored the engine and built the display with a grant, demonstrated the starting and operation of the pump. What a fantastic effort from such a passionate group!

*Pumping up to 20Ml/day*

After lunch in **Cohuna**, we took the scenic drive along Cohuna Island Road. After 50 years or so driving along the Murray Valley Highway, I have finally taken this delightful detour.

**Echuca**: Dinner in Echuca was at "**The Great Aussie Beer Shed and Heritage Farm Museum**". The beer can collection would have to be another hobby that ran away! It and the old farm equipment are a great display, and he makes a good presentation.

The **National Holden Motor Museum** at Echuca had a great collection of Holdens of course, and an impressive air bag demonstration.

The **Echuca and District Vehicle Club** put on a nice bbq lunch at their Rotary Park clubrooms, prior to our departure for Shepparton.

**Shepparton:** Obviously, the GVMVDC Inc. crew had no problem securing motel accommodation here.

Where do you take car clubs visiting Shepparton? **MOVE, Southern Rod and Custom, Maskell's Custom and Classics and Tim and Maree Harris' petrol pump collection** are a pretty good start.

While we love these venues, they are even more impressive for visitors. Just the runs to visit them give a good picture of our region, particularly at this time of year.

The **Club Catering Committee** catered for two dinners, a boxed lunch and breakfast. I might be biased (never!), but these meals were excellent; the best that we had on the tour. Well done caterers!

While we are handing out bouquets, congratulations to Michelle and John Goddard from Kerang, and Lloyd and Kris Healey for organizing the excellent tour on behalf of the Federation. Michelle, you might remember, was the lovely lady on the till in Fred's barbeque at the Swap. Lloyd and Kris also had something else on in September as well as running the Tour. So well done all!

**Club Coffee Run to Winton Wetland and Glenrowan – 20<sup>th</sup> September 2023**

There was a good roll up of members at the club rooms for our 9:30 am departure. Unexpectedly, we had six of our members aboard motorcycles for the trip to the Winton Wetlands Cafe.

We had a very pleasant drive travelling through Dookie and Goorambat, the countryside at present is looking glorious. There were 43 of us for morning tea at the cafe, the staff at the cafe served us in a very

efficient manner.

41 of us then continued on to Glenrowan where we inspected the new Glenrowan Hub which has a dual purpose, one being the Tourist Information Centre and the second featuring informative displays of the Kelly gang and the Glenrowan siege. It is a very impressive building and no doubt cost a lot of money.

We had lunch at the village hall cafe, again the staff there looked after us very well, food was also very good. Naturally, during the day there was lots of socialising between club members, I hope everybody enjoyed the day.

Saturday Social Day, Clubrooms – Saturday 16<sup>th</sup> September 2023

Our Saturday Social Day was held on September 16<sup>th</sup> 2023.

We had a great turn up, I think the sun is definitely making a difference to our numbers. It was lovely to have Rod and Keith return to join us.

We shared a lovely BBQ thanks to John and Les. Many thanks to those that brought a salad or sweet and also contributions to the raffle table.

Thanks to everyone making an effort to join us. Looking forward to everyone joining us again next month.

Kind regards,

Sandra

**Dookie Military Vehicle Rally – 30<sup>th</sup> September 2023**

Every year we wait for this day. At 7am we rose to a wonderful morning and waited for family to arrive, then headed off. Traffic was quiet as many of the larger display vehicles arrived the day before (as it was a Public Holiday this year). We didn't have the problems with pot holes as the council had fixed them.

By 9am there was a wonderful display of Willys Jeeps, Land Rovers, very large military vehicles, motorbikes and horses, as well displays of military goods and a small swap meet.

Last year the public numbers were big but this year it was down because it was grand final day. The weather started to get quite warm as the day went, we had lunch in the park then moved on to the Dookie Emporium, where there is a wonderful display of antiques, second-hand, Military goods, collectables, retro, vintage clothing, furniture, books etc. I even think there was a kitchen sink in there somewhere.

It was a wonderful day catching up with friends and enjoying the displays, arriving home about 3pm. It would be nice to see our car club do a run on the day of the rally.

**National Show and Shine, Euroa – 01<sup>st</sup> October 2023**

The weather was spot-on for a lovely day under the trees at Euroa’s Seven Creeks Park.

About eight club members’ cars set off from the Kialla Central Hall to arrive at Euroa about 8:30am, where there was already a good crowd in attendance. During the day we found lots of other club members who had come from other locations. My final tally was 27 vehicles – hopefully I didn’t miss any.

The line-up of vehicles was, as usual, very impressive. Not too many veteran or vintage vehicles but lots of later classics, some obviously having had lots spent on them! The organisers estimate about 1000 cars, 300 motorcycles and a crowd of about 8000.

Another bonus for the day was the Neale Williams Band (an offshoot of Willie and the Dixons) playing rock and blues classics throughout the day – top stuff!

Check out the Show and Shine’s Facebook page for photos and a video of the site a few days later – most of the park is flooded! <https://www.facebook.com/EuroaShowandShine/>

Another great show – not to be missed next year.

## AOMC Meeting Notes

**AOMC Delegates Meeting, Saturday August 26<sup>th</sup>, 2023 – Ballarat North**

There were 57 attendees (41 clubs), 2 visitors and 5 zoom attendees. Chair: Iain Ross, VP, AOMC

**Guest Speakers**

**Nick Scarff.** A young enthusiast who is studying for a Degree in Design. His thesis is the marketing of early Jaguars in Australia. It will include a background on Brysons Industries who imported Jaguars in the 1960s, and highlight the lack of academic histories on automobiles.

**Wayne Drew,** President of the Ballarat Light Car Club. Wayne gave a presentation on the club and club activities. Wayne showed some videos of various club events and some historic footage of racing at the racecourse pre-war.

**Correspondence.** AOMC secretary Tony Hall reported on several items of correspondence relevant to clubs.

- Incorporation Act information has been sent to clubs. AOMC have sought legal and accounting advice on the changes. Initially it looks like no effect for clubs, but we will notify of advice when it is received.
- Cheque books are being phased out, with banks ceasing to issue replacement books from November 2023. Clubs need to transfer to digital banking, or organise some extra cheque books soon.

**Treasurer's Report.** Mark Fenton, AOMC Treasurer, reported that the AOMC finances are currently in a healthy position, and as of the end of July 2023 the AOMC Cash at Bank is \$ 342,611.

There are no areas of concern with respect to our ability to meet existing financial obligations while funding our strategic initiatives.

With the end of the financial year for 2023 behind us, preparations are now underway to complete the financial reporting requirements for the upcoming November AGM, as well as to complete the Income Tax Returns for 2023. The requirements for tax reporting by NFPs were highlighted during the AOMC Management Seminar held in June, and efforts are being made to complete our own reporting in a way that potentially informs the preparation of reports by AOMC member clubs. Efforts are also being made to ensure any learnings from this process, as well as updates about the ATO changes to Income Tax Exemption reporting due in July 2024, can be shared in the form of additional targeted financial reporting seminars later in the year. This effort is ongoing.

A new financial reporting component is now being trialled to help quantify the community benefit contributed by the AOMC. To be able to report significant community benefits in this way is useful to demonstrate the valuable contribution we make directly to the general community, and adds to our credentials as we engage with external parties in our advocacy role. In coming months AOMC member clubs will also be asked to provide data about their own activities so that we can improve the reporting of the community benefits of the whole heritage vehicle movement. Stay posted.

**VicRoads/Club Permit Scheme Report.** AOMC have received reports of renewals being sent out without permit books. VicRoads have been contacted on this issue, but no reply as yet. Daryl Meek added that this will affect several thousand CPS holders. VicRoads are aware of the issue and this is the third major issue with the contractor. Can be rectified by ringing or attending VicRoads branch.

**AOMC Events:**

- \* **Shannons American Motoring Show** – Sunday 19 November 2023 at Caribbean Park.
- \* **Festival of Motoring** – Sunday 21 January 2024 at Cruden farm.
- \* **RACV British & European Motoring Show** – Sunday 18 February at Yarra Glen Racecourse.
- \* **Florence Thomson Tour** – 26-28 April. Based around Traralgon and touring the Gippsland region.
- \* **National Motoring Heritage Day** – Sunday 19 May 2024. Looking to support various events around the state.

**AMHF Survey.** The link for this has been circulated to clubs via email. AOMC were not privy to the questions in the survey, but feel it is an important enough project to be involved in. Clubs need to communicate to members and share the link to gain the widest response possible. Clubs who have not received the email can get it by emailing to AOMC secretary Tony Hall at: [secretary@aomc.asn.au](mailto:secretary@aomc.asn.au)

**AOMC Seminars.** Restoration and Club Management seminars have been held with good feedback from attendees. A lot of interest in ATO changes information from management seminar.

**Engine number records.** AOMC holds approx. 5 million records pre 1984. Over the past 3 months, 25 searches have been conducted.

**Delegates reports / General business:**

**Damian O'Doherty (Ballarat V&CCC)** asked about the progress on insurance cover for small clubs. Tony Hall responded that a sub committee was working on this and have had several meetings with brokers. Work is still going on in the background and Tony is confident that an offer will be finalised in 2024 for the consideration of AOMC members. Damian also asked about the joint effort with VicFed. Tony responded that there is a joint working committee from both organisations who have met with VicRoads, with the promise of further regular meetings. The joint committee have drafted a shopping list of issues that were presented to VicRoads. There have also been regular meetings of representatives of AOMC and VicFed that have been very cordial and constructive.

*Iain Ross thanked delegates for attending, our guest speakers and especially thanked the Ballarat Vintage and Classic Car Club for hosting and catering the meeting. He declared the meeting closed at 2.45pm.*

2023 Swap Meet Report

A big thank you to everyone for a great weekend, everyone pitching in and doing their best. Things ran smoothly.

This year's swap was a great success. We received lots of praise from site holders, despite the rain overnight and the early drizzle on Sunday morning as we opened the gates. But everything came together and ran smoothly.

The only thing that disappointed me was that some members didn't turn up to do their shift – it made finding a replacement difficult. A phone call to let me know that they were not available would have been helpful and I could have had their time covered. Thanks to the members who did extra to cover these people.

Thank you again to everyone for helping – it was appreciated. To the Swap committee, what a great team.

Cheers,

Lloyd
