President's Report

As the cooler weather sets in so the excuses to get “the car” out are trailing off. Club runs during June are at a bit of a premium, with our next flurry of events being in July; a Sunday run to the Great Stupa, the Christmas in July weekend at the Hume Weir and the Floriade Rally for 10 days in Canberra. Any of the club runs, no matter how long or short, takes effort by the Events Subcommittee to make it happen, and it's extremely disappointing when members can't, for whatever reason, support the event, so please make an effort to support these events.

A case in point was the National Motoring Heritage Day in May. Turn out by members was less than half that of last year's display at Victoria Lake. Did we miss out to competing events by other clubs on the same day, was it too cold (it was cold!) to display cars for a couple of hours, or was there some other reason? Your feedback would be welcome as the committee considers what the club should do to mark next year's Motoring Heritage Day. And while on the subject, if you have ideas for a club run or perhaps would like to be involved in organising a club run, shout out to Club Captain Leigh Johnston on 0409-645 556.

Best regards,

*Rob Fletcher*

From the Editor

Things are starting to happen at our place – it looks like we're moving from Shepparton to Bannockburn to be closer to our kids and grand-kids (and a few other relatives too). We've put in an offer on a house and it's been accepted. So now we need to sell our home for the last 37 years. If you know anyone looking for a nice late-30s California bungalow with four bedrooms and a three-car garage close to central Shepp, give me a call!

As President Rob mentioned above, there are fewer events to attend in the colder months of the year – the calendar on page 25 is much shorter than during the warmer months. Maybe it's a good time to get into the shed and fix those minor issues with your classic vehicle so that it's at its best next spring and summer.

Don't forget to wear your name badge at the meeting so everyone knows who you are!

Regards,

*Brendan Walsh*

The meeting commenced at 8pm with a welcome from President, Robin Fletcher, and mention made of the facilities' safety features. The guests were Peter and Elizabeth Schulz who intend to seek club membership.

**Minutes:**

Minutes of the April 11 meeting were accepted as an accurate record following the motion from *Ken Cuthbert, 2<sup>nd</sup> Barry Galvin.*

**Correspondence:**

## Outgoing

- Letter to Solar City Locksmiths advising any one of P.Vibert, L.Healey or G.Sutherland are members authorised to arrange locks.

## Incoming

- Australian Taxation Office indicating our club must lodge a self-review return by October 31 for income tax.
- Consumer Affairs Victoria's seven-page statement describing the financial statements we must lodge with them after our Annual General Meeting.
- Association of Motoring Clubs Inc. notice of three Special Resolutions for their May 20 meeting. These concerned acceptance of unincorporated groups into AOMC membership, purpose being modified to include enthusiast and hobby motorists and finally, the adoption of a joining fee separate from the annual fee. The three resolutions have no immediate relevance to the current relationship between AOMC and GVMVDC. GVMVDC committee supported the resolutions.

**GVMVDC Constitution**

The President advised members to consider the proposed changes included as an inclusion with the May Journal. These will be considered at the June general meeting. Further copies of the proposed changes are available upon request.

**REPORTS:****Treasurer**

Peter Vibert tabled a three-page statement describing transactions for the period April 11 to May 9. A listing of account balances on May 9 was also provided. Explanation of the report included details of catering and printing associated with the Morris Register visit to Shepparton. *Peter Vibert* recommended acceptance of his report, *2<sup>nd</sup> Alan Lavis* and passed.

**Club Captain**

Leigh Johnston referred to pages 6 & 7 of the May Journal, elaborating on the seven listed activities. The "Christmas in July" (July 6 & 7) has a few vacancies.

**Motor Heritage Day - Shepparton**

Barry Croke outlined arrangements. Six members indicated they would assist with marshalling on May 19.

**Catering s/c**

Julie Mahoney mentioned aspects of her page 5 May Journal report covering catering for the April 26/27 Vintage Drivers Club visit.

**Facilities s/c**

Greg Sutherland mentioned a working bee to assist the spread of woodchips on May 18.

**AOMC**

Alan Lavis indicated that the country delegates meeting of AOMC would be at MOVE on August 24. GVMVDC catering group have agreed to cater for their lunch. Our club members will be welcome to attend this meeting as observers.

**Rallies and visits to clubs**

Barry Croke described the very successful "Old Cranks Club" gathering at Beechworth on May 4 and 5 that included a street procession of cars and a Sunday display. He attended with his Humber Snipe and Asquiths went along with their Wolseley. Peter Byrne won an award with his yellow FJ Holden.

**GENERAL BUSINESS**

Neil Hammond spoke of his observations on the Red Plate Club with its Shepparton office and a claim of some 3000 vehicles "on its books" with a fee structure much greater than GVMVDC. Neil also mentioned the Victorian Historic Register had 1911 affiliated clubs in 2023 that included about 91,000 cars.

Steam Rail Victoria has a train run on June 7/8/9 leaving Seymour at 3.10pm on June 7 and on Sunday June 9 conducting a run to Tallygaroopna.

Ken O'Connor spoke about a 1960 Austin Cambridge, in need of some work, that was for sale at Mooroopna. Ken also spoke of the continuing need to be vigilant from fraudulent activity by criminals using our telephone and internet systems.

Robin Pilcher highlighted cost trends associated with the August Hot Rod show at Melbourne showgrounds and the consequential decline in most attendances. He also advised that engineer certification was needed for any welded modification whereas a bolted addition to bodywork was likely to be more acceptable.

*The meeting was closed at 8.40pm.*

Corowa Swim In – 16<sup>th</sup> March 2024

The Largest Annual Ex-Military Vehicle meet in Australia.

Hi all. On the 16<sup>th</sup> March 2024, Rodney and I set off for Corowa New South Wales to the Corowa Swim-In. It is the largest annual Ex-Military Vehicle Meet in Australia.

It was a nice early morning start – with the sun coming up, we could see it was going to be a nice hot day.

We arrived at about 7.30am. There was the Street Parade as well as a small Swap Meet this year.

We found it to be a real eye opener. I would say there were over 300 military vehicles on display ranging from Blitz, Willy's Jeeps, Motor Bikes, Land Rovers etc. You name it and it was there.

We left about 3pm with five new tyres and many other jeep parts (that were sent down from the top of NSW). It is always a great day.

If you want to know more about the Swim-In this is their Facebook site <https://www.facebook.com/corowaswimin/>

**Club Coffee Run to Kyabram Fauna Park and Tongala – Wednesday 15<sup>th</sup> May 2024**

27 club members attended our coffee morning at the Kyabram Fauna Park cafe on a lovely sunny day.

After morning tea quite a number of people went into the fauna park to inspect the

dinosaurs – by all accounts everyone was very impressed with the display of the life like monsters.

After this 23 people continued on to the Tongala Hotel where we enjoyed very nice meals. After lunch a number of people wandered up and down the street looking at the various murals on shops and buildings.

Hopefully everybody enjoyed the day.

Our Saturday Social Day was held on 18<sup>th</sup> May 2024. It was well attended although a few less because of illness.

Thanks for some entertainment by Richard playing some great classic songs. Thanks to all those that brought a casserole to share.

There were lots of conversations held, also lots of questions asked about John and Sandra's Europe cruise holiday.

Thanks to all those that attended and contributed with setting up, dishes and packing up. Your help is always much appreciated.

Regards,

*Sandra*

**National Motoring Heritage Day display, Shepparton – 19<sup>th</sup> May 2024**

Being on a Sunday, a coolish day and maybe not as much encouragement meant that attendance numbers were down this year compared to last year's display for NMHD.

Lloyd was still in discussions with Council staff until a couple of weeks before the event over some conditions for our use of the park too!

The day went quite well with members arriving as required and following instructions from members on parking duty. There was good interest from the general public too.

Well done to those members who arranged to bring more than one vehicle. It was easy for me as I only

live about 600m away, so could walk home to bring another! It was also great to see Rob's newly permitted vintage Chev out for its first run.

Overall, it was a good day for a good cause.

Rally Report

Historic Racing, Winton – 25<sup>th</sup>-26<sup>th</sup> May 2024

The 47<sup>th</sup> historic race meeting at Winton was held last month in pretty good weather (i.e. not raining) with a good crowd in attendance, including quite a few Club members.

There was a wide variety of collector vehicles in the carpark and the pits had the usual selection of racing machines. I drove the Jag and was directed into the main display carpark, parking next to Don’s grey E-type coupe. I was also given a windscreen sticker to join in the parade lap at lunch-time, which was a great experience (even at about 25mph!).

The day was well worth the short trip.

Member News

I'm sad to report of the passing of long-time club member Doug Cloak of Shepparton.

Doug joined the club in 1979 and often attended meetings with Ian Malcolm, who lived nearby.

Doug hadn't attended any club functions for a long time but was still keen to get the Journal so he could keep up with what was happening.

From Shepparton NEWS, 8 May 2024

Bill Winters is still doing good work in the road safety area and was in the NEWS recently promoting National Road Safety Week.

Bill set up the L2P learn-to-drive program in 2010 to help disadvantaged youth get their driving licences. He also has a regular segment on OneFM about road safety issues.

DEATH NOTICES

09.05.1936 - 07.05.2024.  
- Loving husband of Elsie (dec), loved brother of Bill, devoted Uncle of Nola, Neville, Janet, Karen and Ian and their families.

Well done to Liz Capuano who recently celebrated 21 years as a school crossing supervisor in Murchison.

From Shepparton NEWS, 9 May 2024

Min Innes-Irons participated in the recent Hospice Rallye with his daughter Lily as navigator. They took home the navigation award in their 1925 Fiat Type 501.

Tino Leo's son Dom took Tino's HQ Holden Monaro to Historic Winton, not intending to race it, just to be on display.

Dom Leo will proudly display his father's Holden Monaro at this weekend's 47th Historic Winton. For the full story, turn to page 5.

## Federation Report

*Notes from the Federation Delegates meeting, Kerang – 18<sup>th</sup> May 2024*

- Darrel Wheatly reported on the National Tractor Trek that was recently held in Deniliquin. They had 80 tractors and all had a good time.
- Reports on Federation Picnics:  
**Mortlake** had very good attendance with 110 vehicles.  
**Wunghnu** a great weekend with 70 tractors, 40 stationary engines and 42 cars.  
**Scoresby** also very good attendance with 160 to 170 vehicles.  
**Murrabit** was the day after the meeting, the first one hosted by the Kerang Club at the Murrabit Market venue. Good venue, good food and approximately 100 vehicles.
- Bendigo Swap  
The feature this year is 100 years of MG and Chrysler and a barn find section.  
Things will be pretty much the same as last year only with new caterers, not Rotary.  
They are still looking for volunteers, so anyone interested put your name down, remember the club gets a kick back.
- Club Permit System  
When cancelling a permit do not return the plates or the log books.  
Electric conversions to vehicles are now covered under VSB14.  
There are still some VicRoads officers issuing the wrong plates (e.g. H Plates instead of M Plates). The problem seems to be internal VicRoads education.  
There was to be a combined meeting VicRoads and the AOMC on the 30<sup>th</sup> May, some topics to be discussed are -  
    LPG vehicles on the CPS,  
    Electronic Log Books (Lack of mobile coverage a concern).
- Tax on non-for-profit Organizations  
Self-reporting of income status of clubs, there is some information on the ATO website somewhere.  
Clubs must be digitally ready; the access manager must have a My Gov ID and be registered to the club.  
The ATO is only taxing Non-Member Income (Not Club Membership subscriptions) over \$416.00 for the year.  
Be careful how money is entered in the books (e.g. Income and Expenses for each event)
- The Federation is no longer posting correspondence due to the rising cost of postage, all correspondence will now be emailed. Check that the Federation has the up-to-date Club Email address.
- Warning – using pictures, jokes or written articles from the internet or other sources, check to make sure that they are not copywritten.  
Mildura Club has a bill for \$1100.00 from someone claiming a copyright, they are not sure if it is a scam or not. Written articles must have the writer's permission and the author must be acknowledged.  
Photos can be checked by looking for the copyright symbol on them.
- Next Meeting  
The AGM will be held in Mildura on the 3<sup>rd</sup> of August.

*Lloyd and Kris Healey  
Federation delegates*

*There will be a report from the latest AOMC delegates meeting in the July Journal.*
