**President's Report**

Once again, our Swap Meet has been a huge success. The weather was a minor concern initially until the sun got itself together and burned off the gathered clouds, so the meticulous planning by our Swap Meet Subcommittee came up trumps again. (I wonder if you can actually say that these days, given the situation in America, and even if you can say it, I feel that the message being imparted has, perhaps, changed forever). A HUGE thanks to Lindsay Braybon, Harold Battersby, Ann Bell, Glen Braybon, Kelvin Ivers, Trevor McKenzie and Jason Watts and, of course, Kris and Lloyd Healey.

A HUGE thanks also to the ladies and gent of the Catering Subcommittee; Julie Mahoney, Bev Brownley, Sue Agosta, Evie Boschetti, Kris Healey, Judy Mellington, Cheryl Simpson, Lorraine Threlfall and Bill Winters. Feedback from the clientele of the canteen and the various BBQ outlets regarding the quality and variety of food available, and the applicable prices was, without exception, very positive.

And finally, an equally HUGE thanks to all club members and, in a number of instances, non-club members but family of club members, who turned up and assisted on the day. Without your help, the swap meet could not be run, irrespective of the quality of planning put in by the respective sub-committees. The federal government thanks you too, as it surreptitiously slips its hand into our collective pocket for its 'cut'.

The annual Club Rally was held from September 16<sup>th</sup> to 23<sup>rd</sup>. Focussed on the goldfields area of Victoria, the rally was, by all accounts, an excellent event enjoyed by all who participated. Thanks to Alan Lavis and Hughie MacFadyen for their efforts in organising this event.

As we speak of events, the Events Subcommittee is currently in the process of planning the club's events for the forthcoming twelve months. If you have any thoughts on the types of events that you would like to see the club run, then PLEASE make your thoughts known to the Events Subcommittee Chairperson and Club Captain, Barry Croke ([events@gvmvdc.com.au](mailto:events@gvmvdc.com.au)).

Best regards / Rob Fletcher

**From the Editor**

Such a busy month I thought I would have more information to pass on but unfortunately, I have not received much at all. This Journal can only be as good as the members input so, please send through information, the cut-off date is at the bottom of page 2.

You will notice a change on the front and back. The sponsors have been moved around as some have pulled out, the calendar is back thanks to our president, and the cover has changed. All winners are still mentioned on page 1.

Yours in motoring,

*Heather Drust*

### CATERING SUB-COMMITTEE REPORT

Another Swap is under our belt!

I wish to give a huge thank you to everyone who helped at the BBQs or in the Canteen on Sunday at the Swap Meet. Without your support, it would be impossible to cook and serve the food to those who attend on the day. Everyone did a fantastic job, and your efforts are truly appreciated.

Also, a big thank you to those who came to help with preparations on Saturday and the clean-up on Sunday afternoon. The load is certainly lightened when people willingly come in to help out. We are so grateful.

The catering Committee is very pleased with the outcome of the day food-wise. Many patrons spoke of the good variety, quality and prices of the food provided which was nice to hear. We were selling things up until nearly 1pm and only a very small quantity of rolls, bread and some uncooked chips were left over. These were donated to FOODSHARE, so they were put to good use.

Once again, thank you to everyone who helped out in any way they could, to make this year's Swap a great success.

Kind regards,

Julie Mahoney

## Rally Report

### Rally Report – Federation Picnic, Marong August 21<sup>st</sup>, 2025

The annual Federation of Victorian, Vintage and Classic Vehicle Club picnic was attended by eleven club members. A cool morning with patchy mist possibly curtailed early starters as the GVMVDC contingent found less than half the trotting track occupied by reversed-in vehicles at 9.45am. However, by soon after 10am the full circumference of the oval was occupied.

A feature of the gathering was the Fordson E27N tractor, with it being 80 years since this model became a common sight on post WWII farms. A diversity of types was present; petrol/kerosene and Perkins diesel powered, normal 2WD plus a rare 4WD unit and even an excellent half-track machine.

The usual diverse range of vehicles was on display with Vanguards, Morris Minor and Mini Minor being obvious. A good range of Packards, Studebakers and Chevrolets parked between the extensive collection of Holdens and Fords. Numerous vintage vehicles added to the interest.

Characteristically the exhibitors were their talkative selves, eager to engage in conversation about their vehicles and world events, and at the post-lunch mass gathering ever hopeful of achieving one of the many lucky entry ticket prizes.

**Journal Sent to France**

We had a request to send a 2018 Journal to France as there was a photo on the front cover of a 1913 Th.Schneider 13.20 tourer owned by Jack and Robyn Nind and an article in the journal on the vehicle. The gentleman is Patrick Frachebois and he is included in the journal article. The web page must be travelling far and wide in the world.

This is Patrick Frachebois, the Schneider enthusiast from France, with two of his cars, a 1921 torpedo tourer and a 1912 limousine.

He believes that there are approximately 70 Th Schneiders left in the world.

*There are at least two others in country Victoria. ↓ ↓  
Wouldn't it be great to see all three together?*

## VicRoads Club Permit Number Plate Survey

The AOMC and VicFed have jointly made good progress in discussions with VicRoads about a number of issues involving the heritage vehicle movement, and number plates has been one of these topics. It is therefore pleasing for us as peak bodies to be asked by VicRoads to help distribute a short survey seeking to find out more about what the movement would like to see happen with custom number plates for cars on the CPS.

The survey is designed to gather insights from car enthusiasts across Victoria to help VicRoads better understand their interests and preferences when it comes to custom plates.

The feedback VicRoads receives will play a valuable role in shaping future initiatives that celebrate and support the car club community.

You are invited to complete the survey using the Survey Link (below), not later than Wednesday October 15th.

**Survey Link:** <https://survey.usabilla.com/live/s/68be6cabee65837b7368352f>

**Closing Date:** Wednesday October 15th

Please note that all responses will be treated confidentially and no personally identifiable information will be collected. The data will be used solely for research and planning purposes, in accordance with VicRoad's privacy policy and relevant data protection standards.

Best regards / Rob Fletcher

The **Club Permit Scheme** or colloquially known as "Red plates" is a "Registration Permit" of a motor vehicle recognised by VicRoads to make limited use of historic motor vehicles 25 years or older on the road network. To establish if a motor vehicle is 25 years old the build date must be confirmed.
